FOREWORD

The 1965 Turnerite is symbolic of the student viewpoint of one year that is now only a memory. The year passed quickly for some, slowly for others. Many have since gone their separate ways into the world. The future now beckons seniors into a world of many new discoveries and problems which must be faced with a goal of tomorrow. We must look back on the given opportunities of high school as, above all, a hint of the challenges awaiting us in the future.

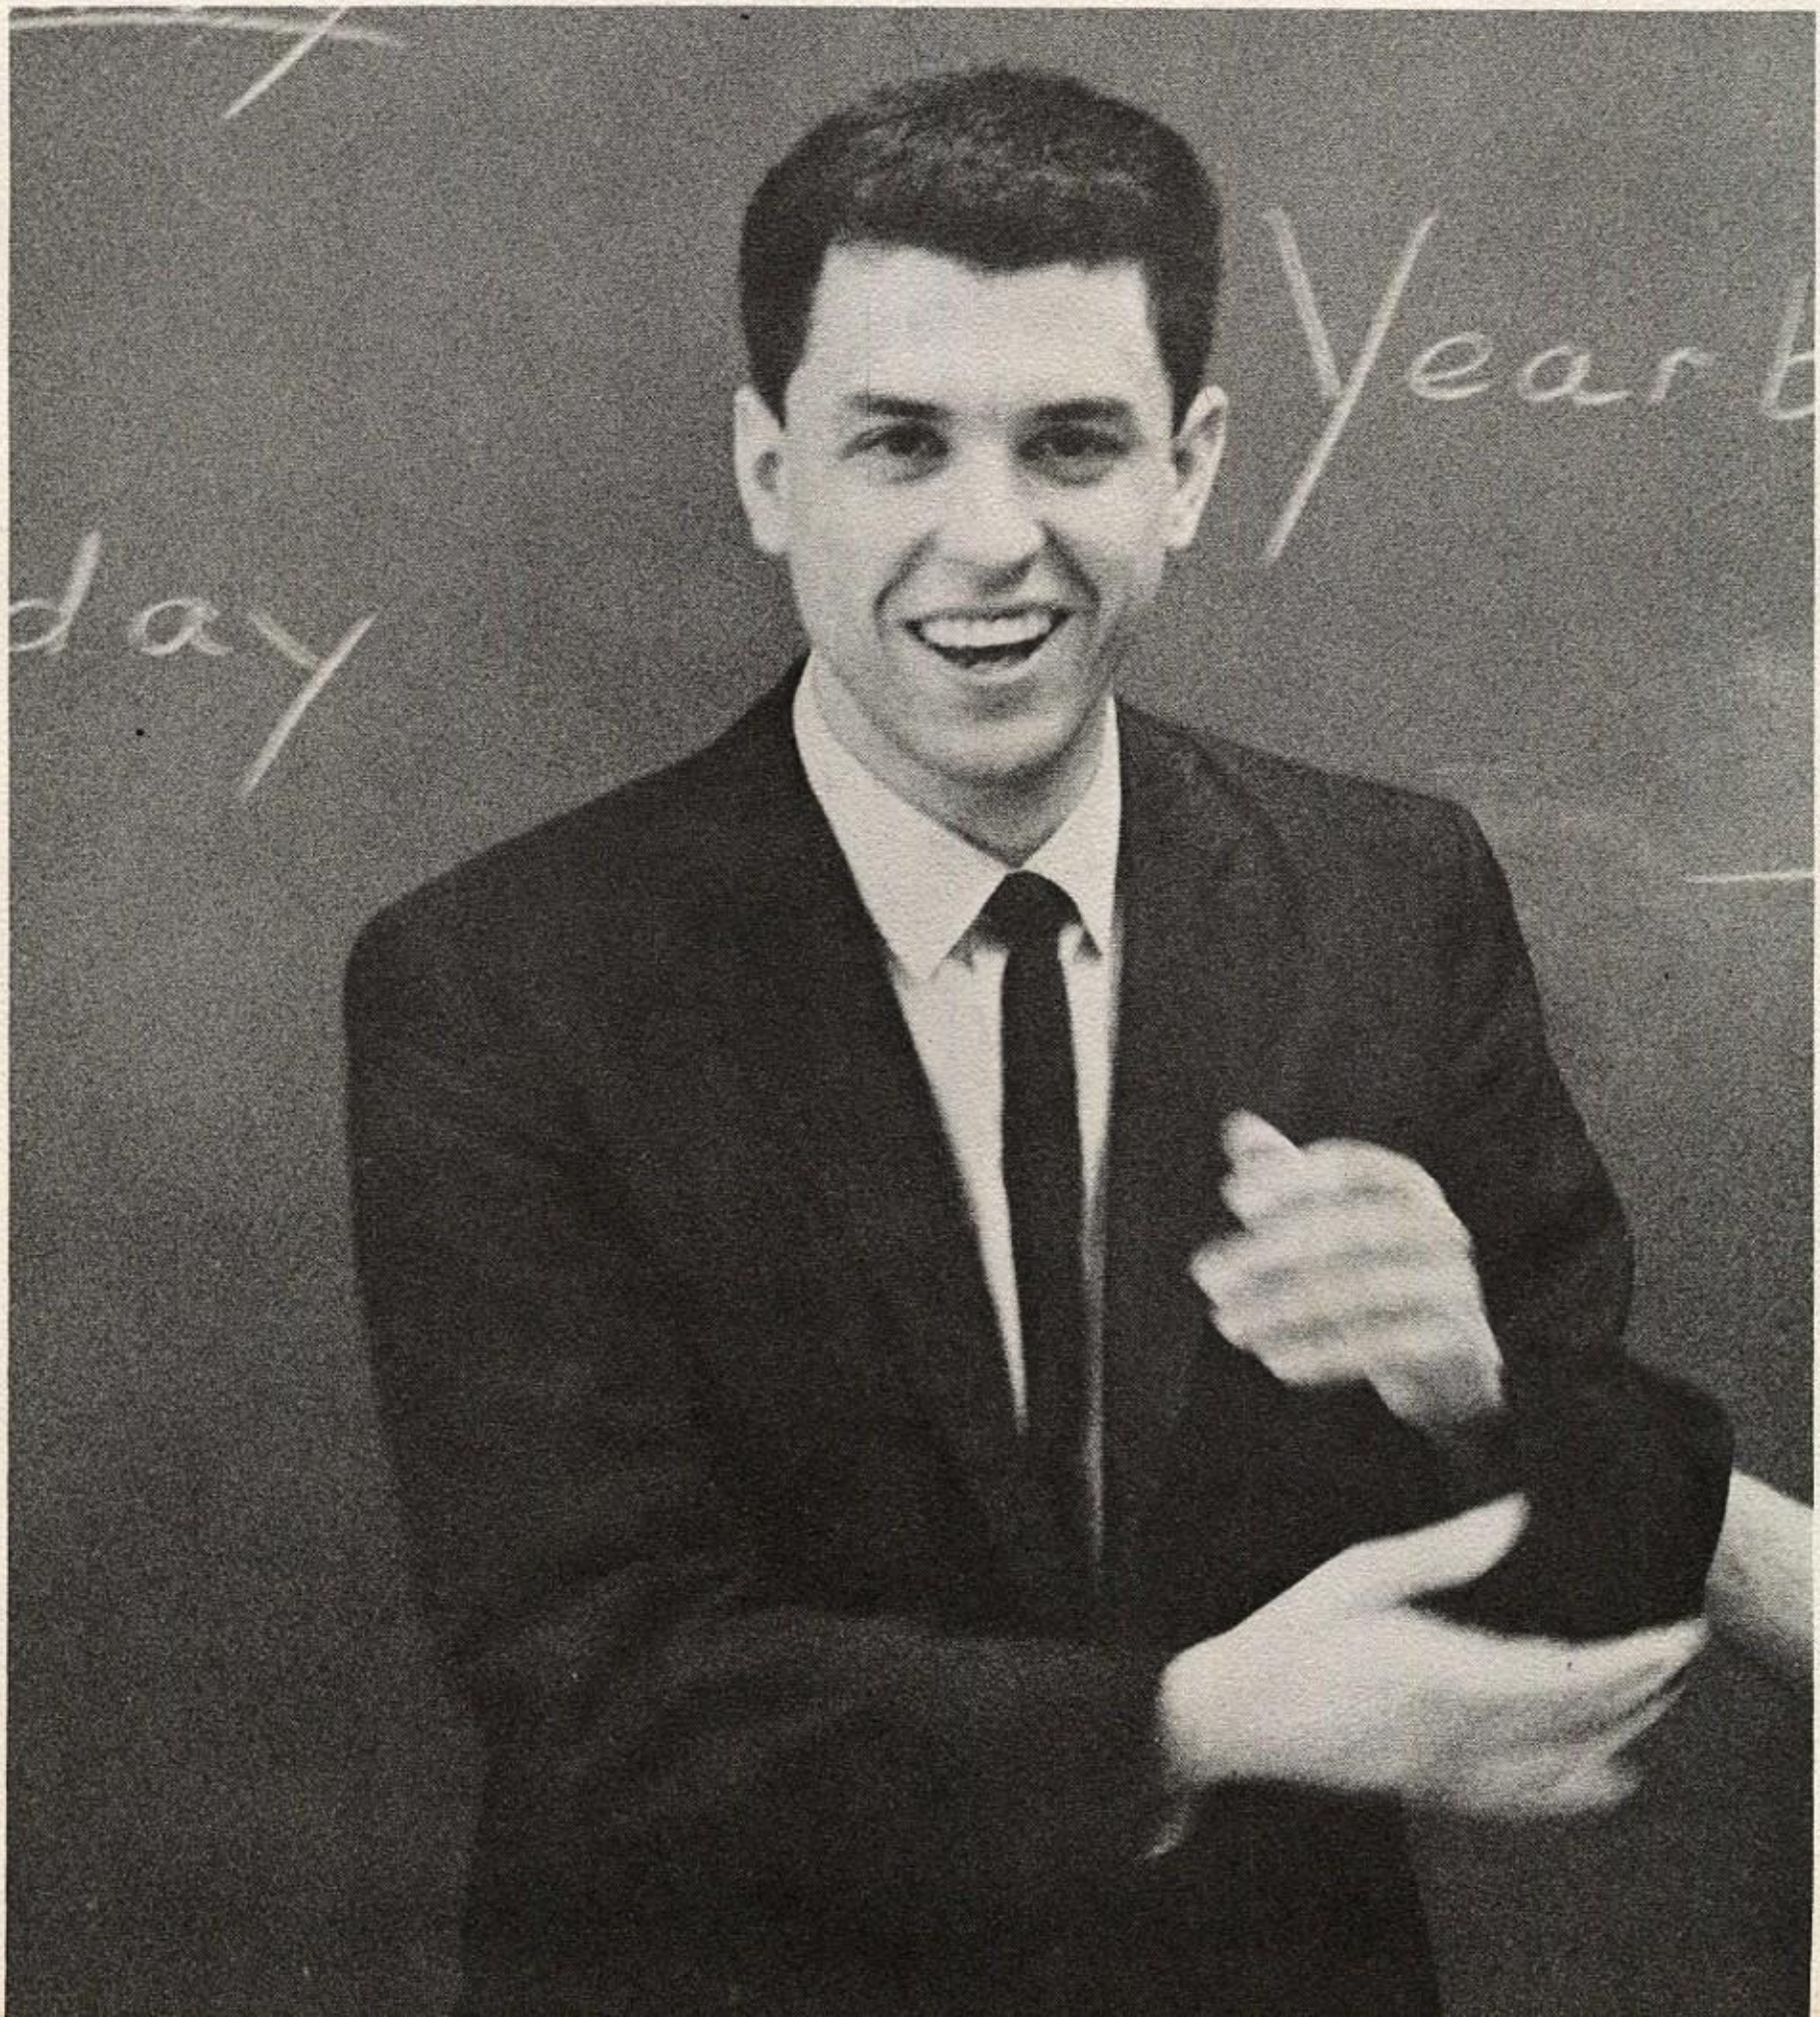
Mr. Harley



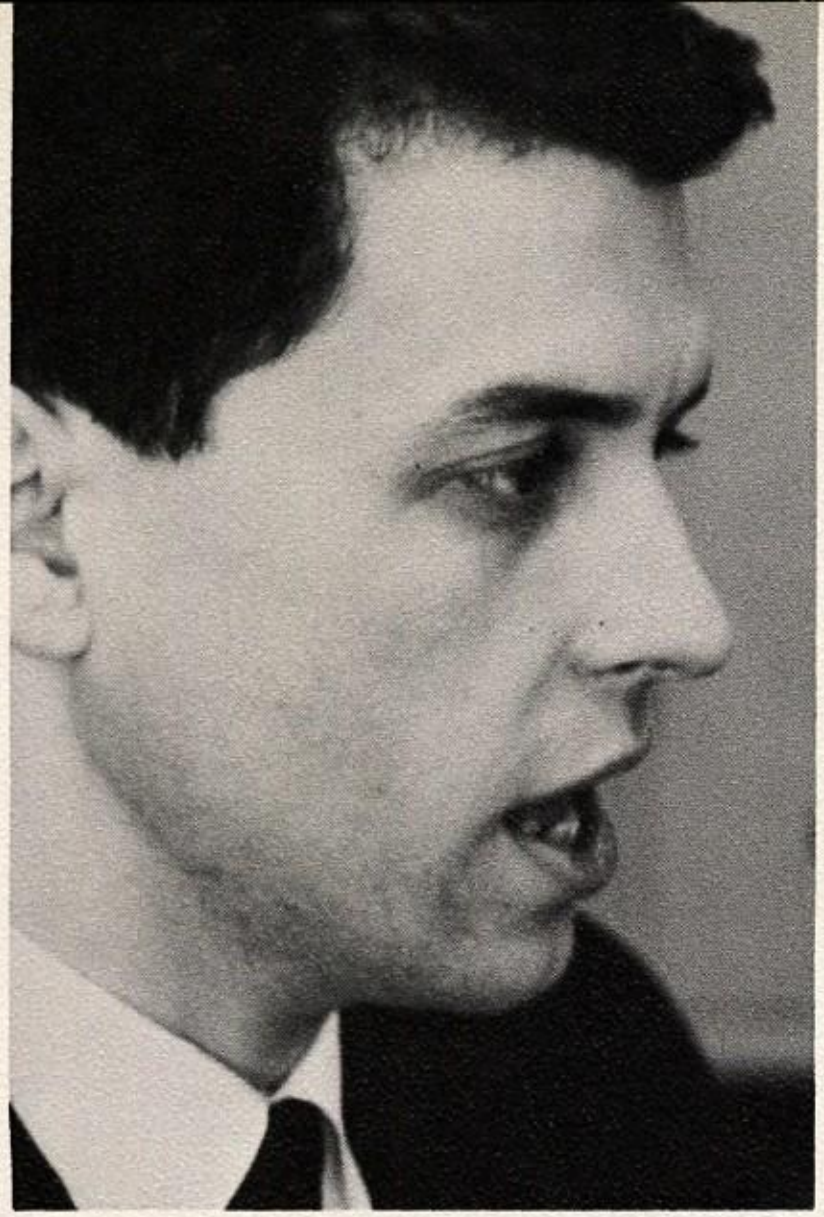
DEDICATION

Journalism Instructor Praised By Students

In appreciation for his hard work and fine service to Turner High School and its Journalism Department, the Turnerite staff would like to dedicate their yearbook to Mr. John Harley.

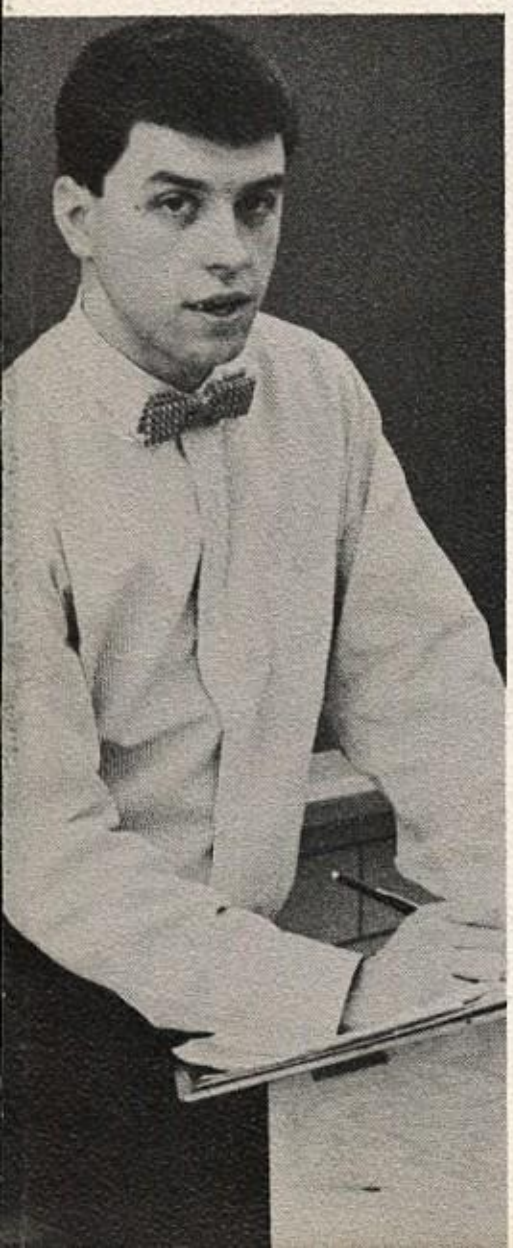
Although Mr. Harley leaves Turner for another position, he will be remembered by his students and co-workers as a man who was intently dedicated to his responsibilities of sponsoring the school's two publications, the Booster and the Turnerite. Organizing and inspiring the staffs were his concerns and he fulfilled his obligations deserving merit. In addition, Mr. Harley was considered an interesting teacher who lived his profession and enjoyed his field of journalism.

We would especially like to thank him for the extra time he gave us outside of class and the personal interest he gave the staffs as students and friends. For these reasons and that he made this book possible, we would like to dedicate the product of our efforts to Mr. Harley, Turner journalism instructor.



"Let's make this year's Booster the best Turner has ever seen," said Mr. Harley various times during the year.

"Even though it is Twirp Day, All the the more reason to have 20 minutes of announcements.



"Ah! The yearbook is finally finished," sighed Mr. Harley in his sombrerro.

"It only took a little friendly persuasion to sell that ad, class."

Symbols are an important part of our lives; especially in our role as students. In this life, academic activities seem to play a major part, but we must not forget the social role which we also lead. For just as the former is a symbol of our enrichment, the latter represents the development of individualism. Re-live now that moment when the world existed in a timeless state, when we won the game from our chief rival and when the years came to a close as we took that last, long walk.

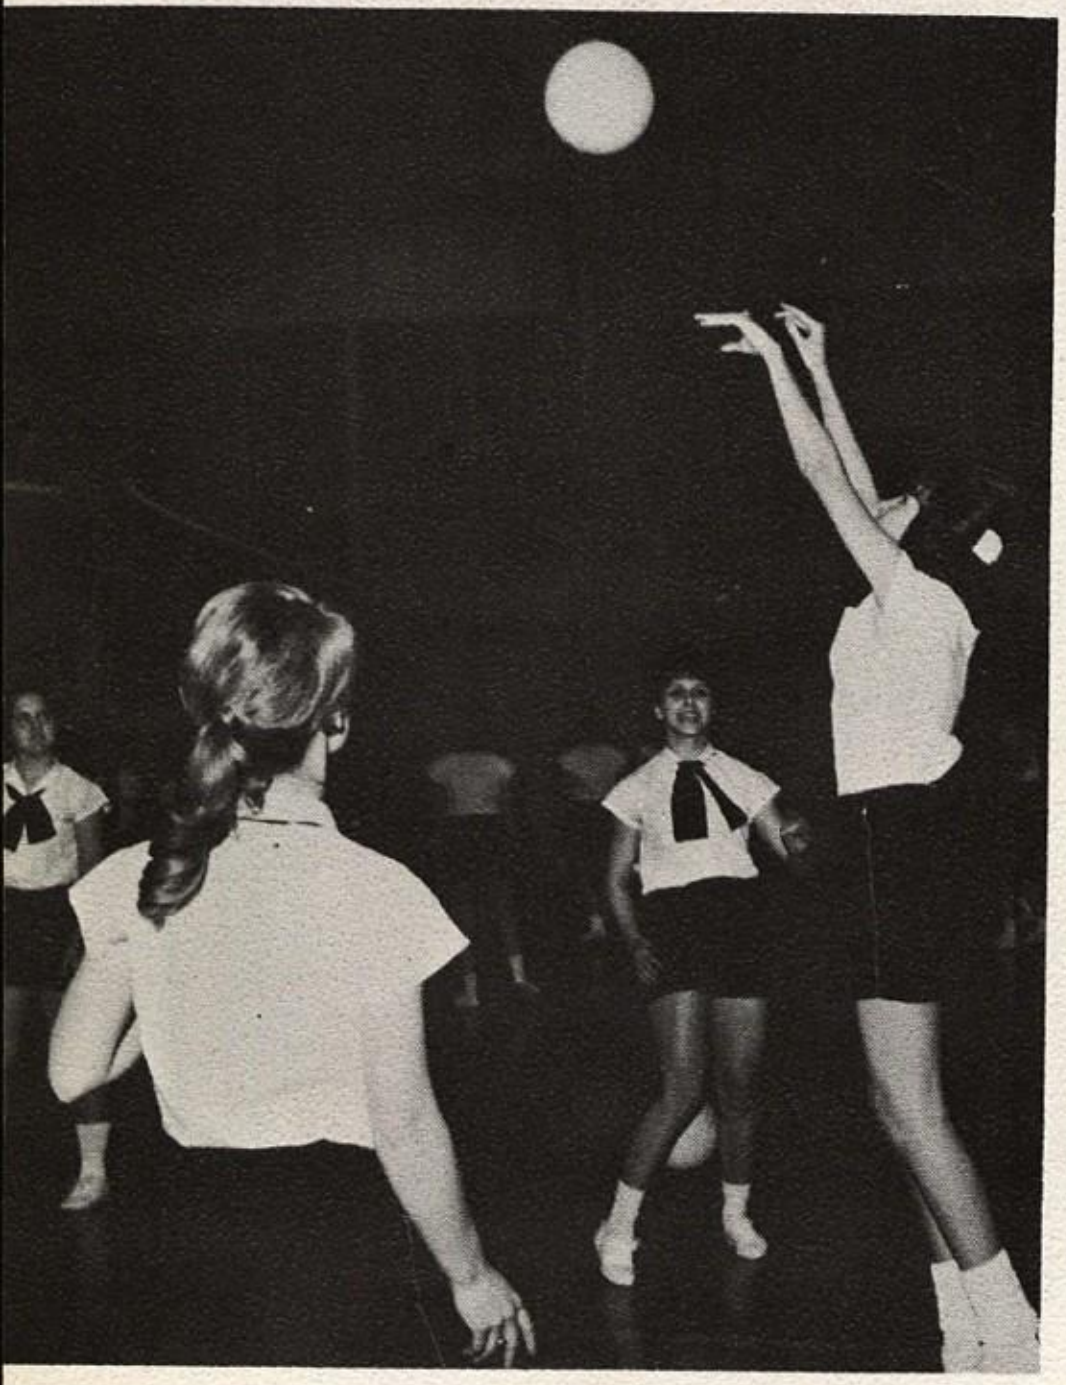
GYM SHOW

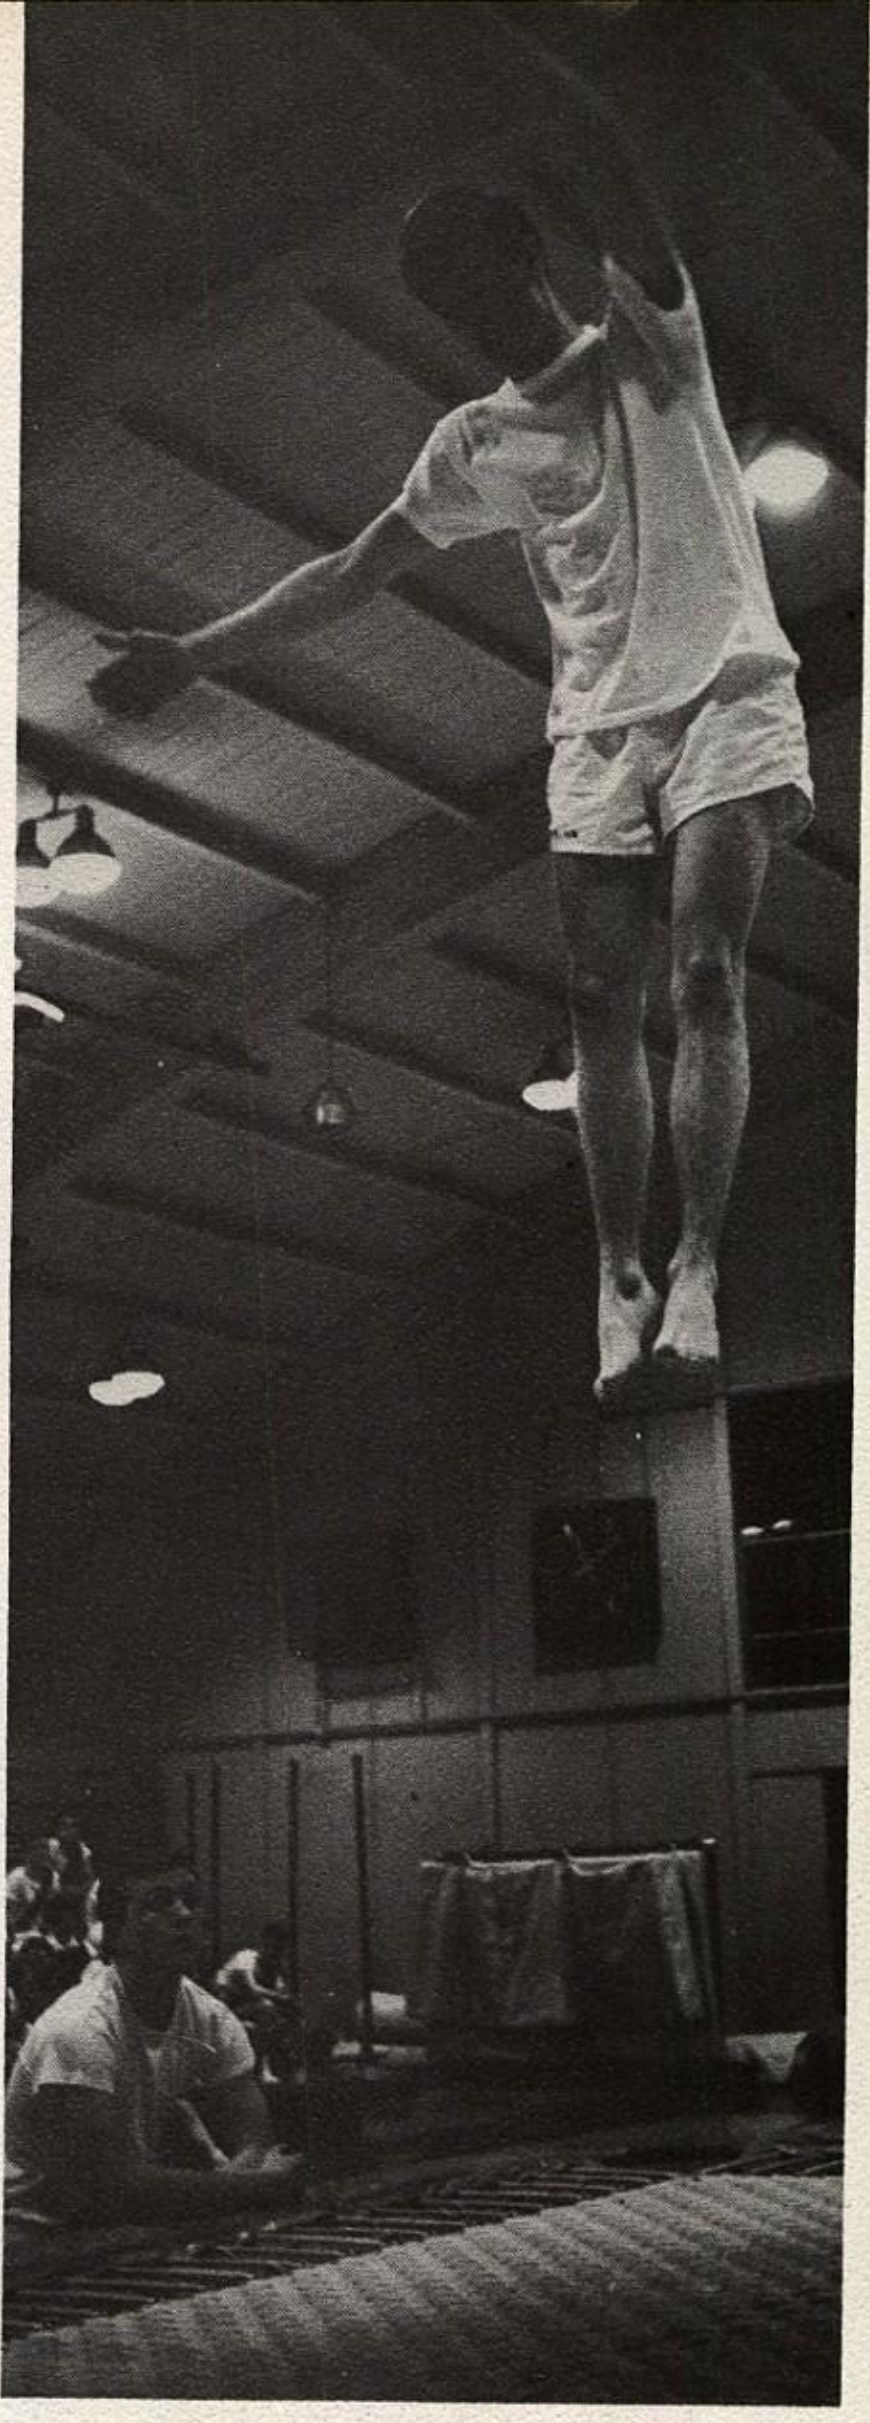
Students Display Gymnastic Feats

The annual gym show displayed the physical competency of Turner Sophomores. Using an Olympic theme the Sophomores this year exhibited their strength in track, tug of war, basketball, volleyball, gymnastics, wrestling, and relays.

Teams were set up for competition and were designated in the Greek fashion with a color sash. Variety, action, and life was typical at this well organized show.



These sophomore girls joined on the spirit of the "Turner Olympics" volleyball competition at the annual gym show.



Terry Perkins demonstrated his skill on the trampoline at the "Turner Olympics".

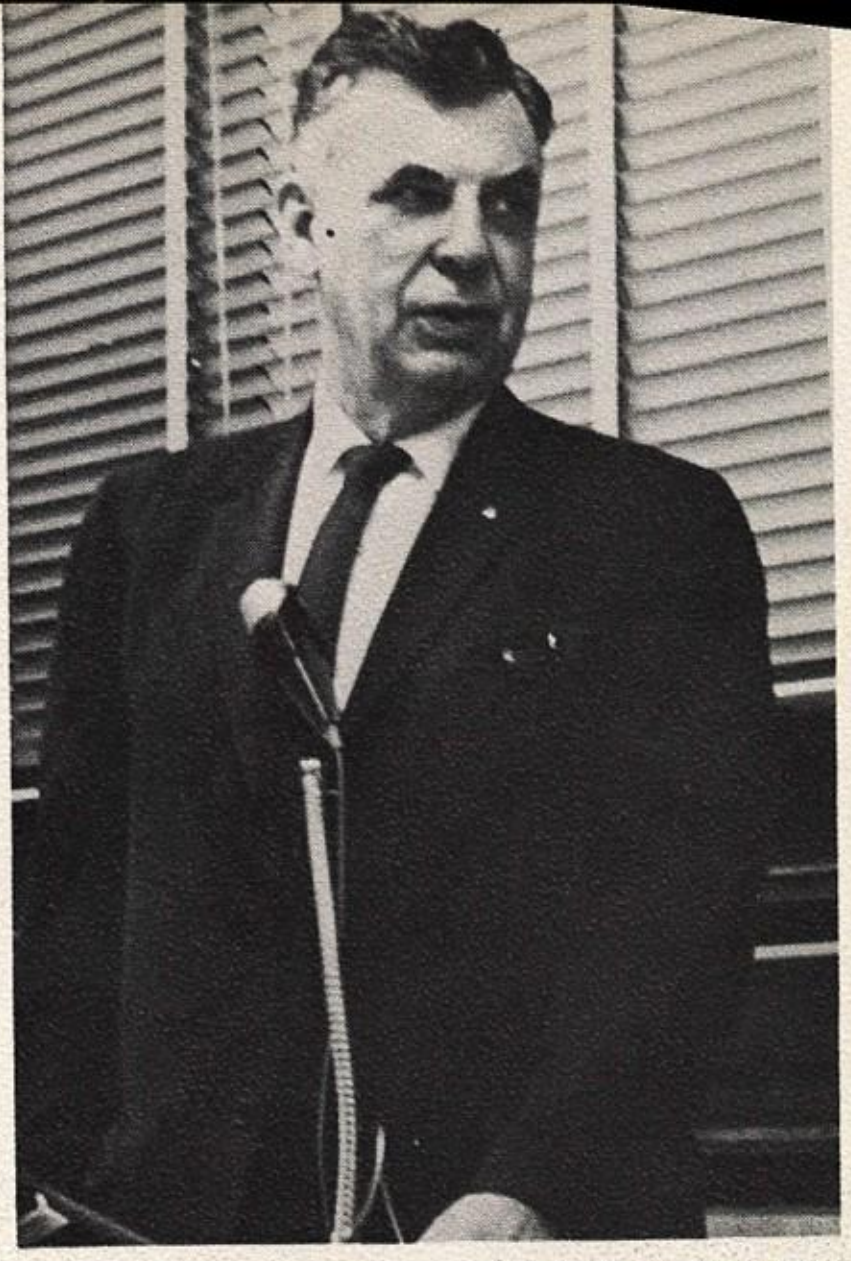
ATHLETIC BANQUET

Honors Athletes of the Entire Year for Efforts

What has traditionally been a Fall Athletic Banquet was changed this year to a Spring Athletic Banquet. The purpose: to honor boys in more than one sport.

The guest speaker for the Spring Banquet was Al Duer, executive secretary of NAIA. Mr. Duer emphasized several tips to the athletes attending. He stressed the significance of sports as a good influence in molding character. It is in the carry over later in life of this early training that proves the worth of all sports. A combination of physical skill, mental development and spiritual growth add up to a full, rich, moral life.

After Mr. Duer's speech awards were passed out to boys in varsity and junior varsity basketball--also to boys in track and wrestling.



Al Duer, executive secretary of N.A.I.A. spoke at the Athletic Banquet on the importance of athletics in molding character.

Gary Main and Terry Precht helped to pass down the food; so everyone could partake in feasting.

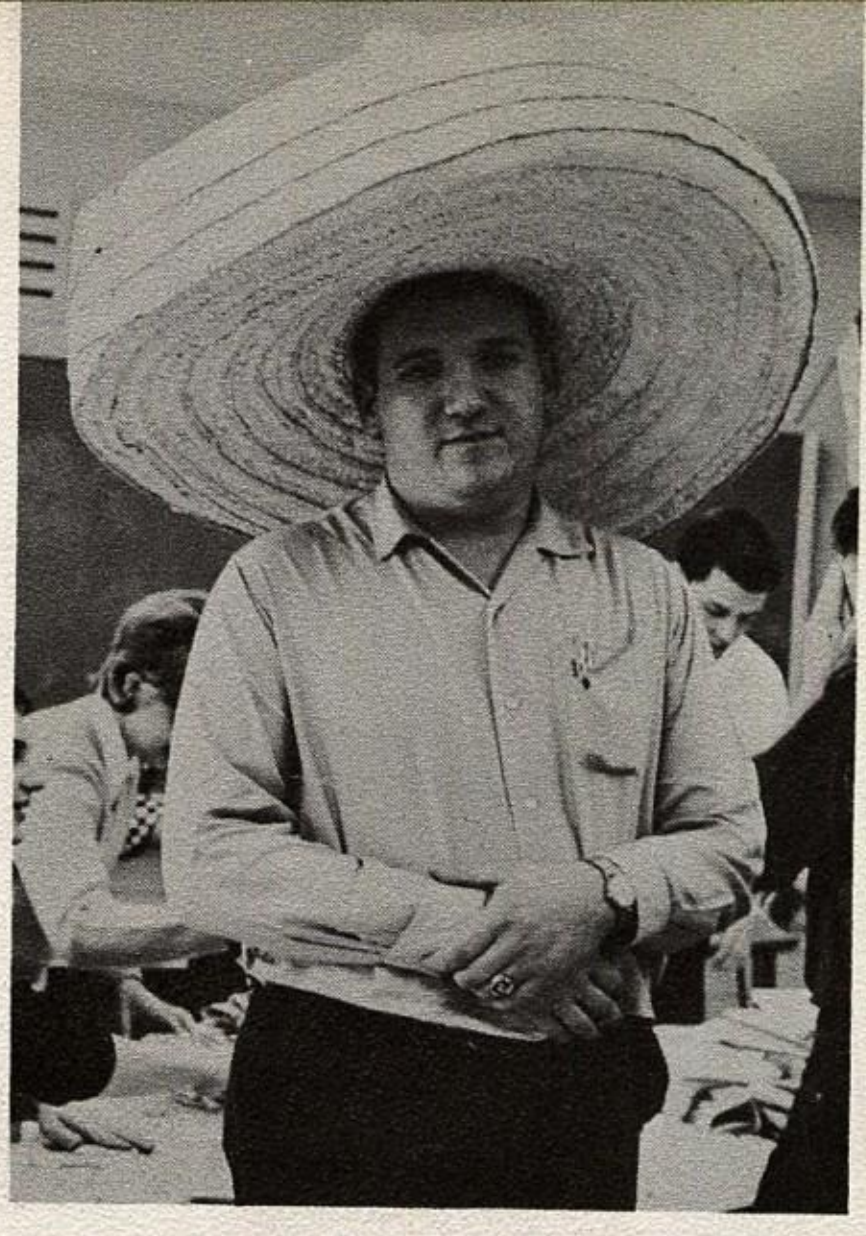
Director Clinton Hurt led the boys' ensemble at the Athletic Banquet.

TWIRP WEEK

Adds Touch of Variety To Usual Routine

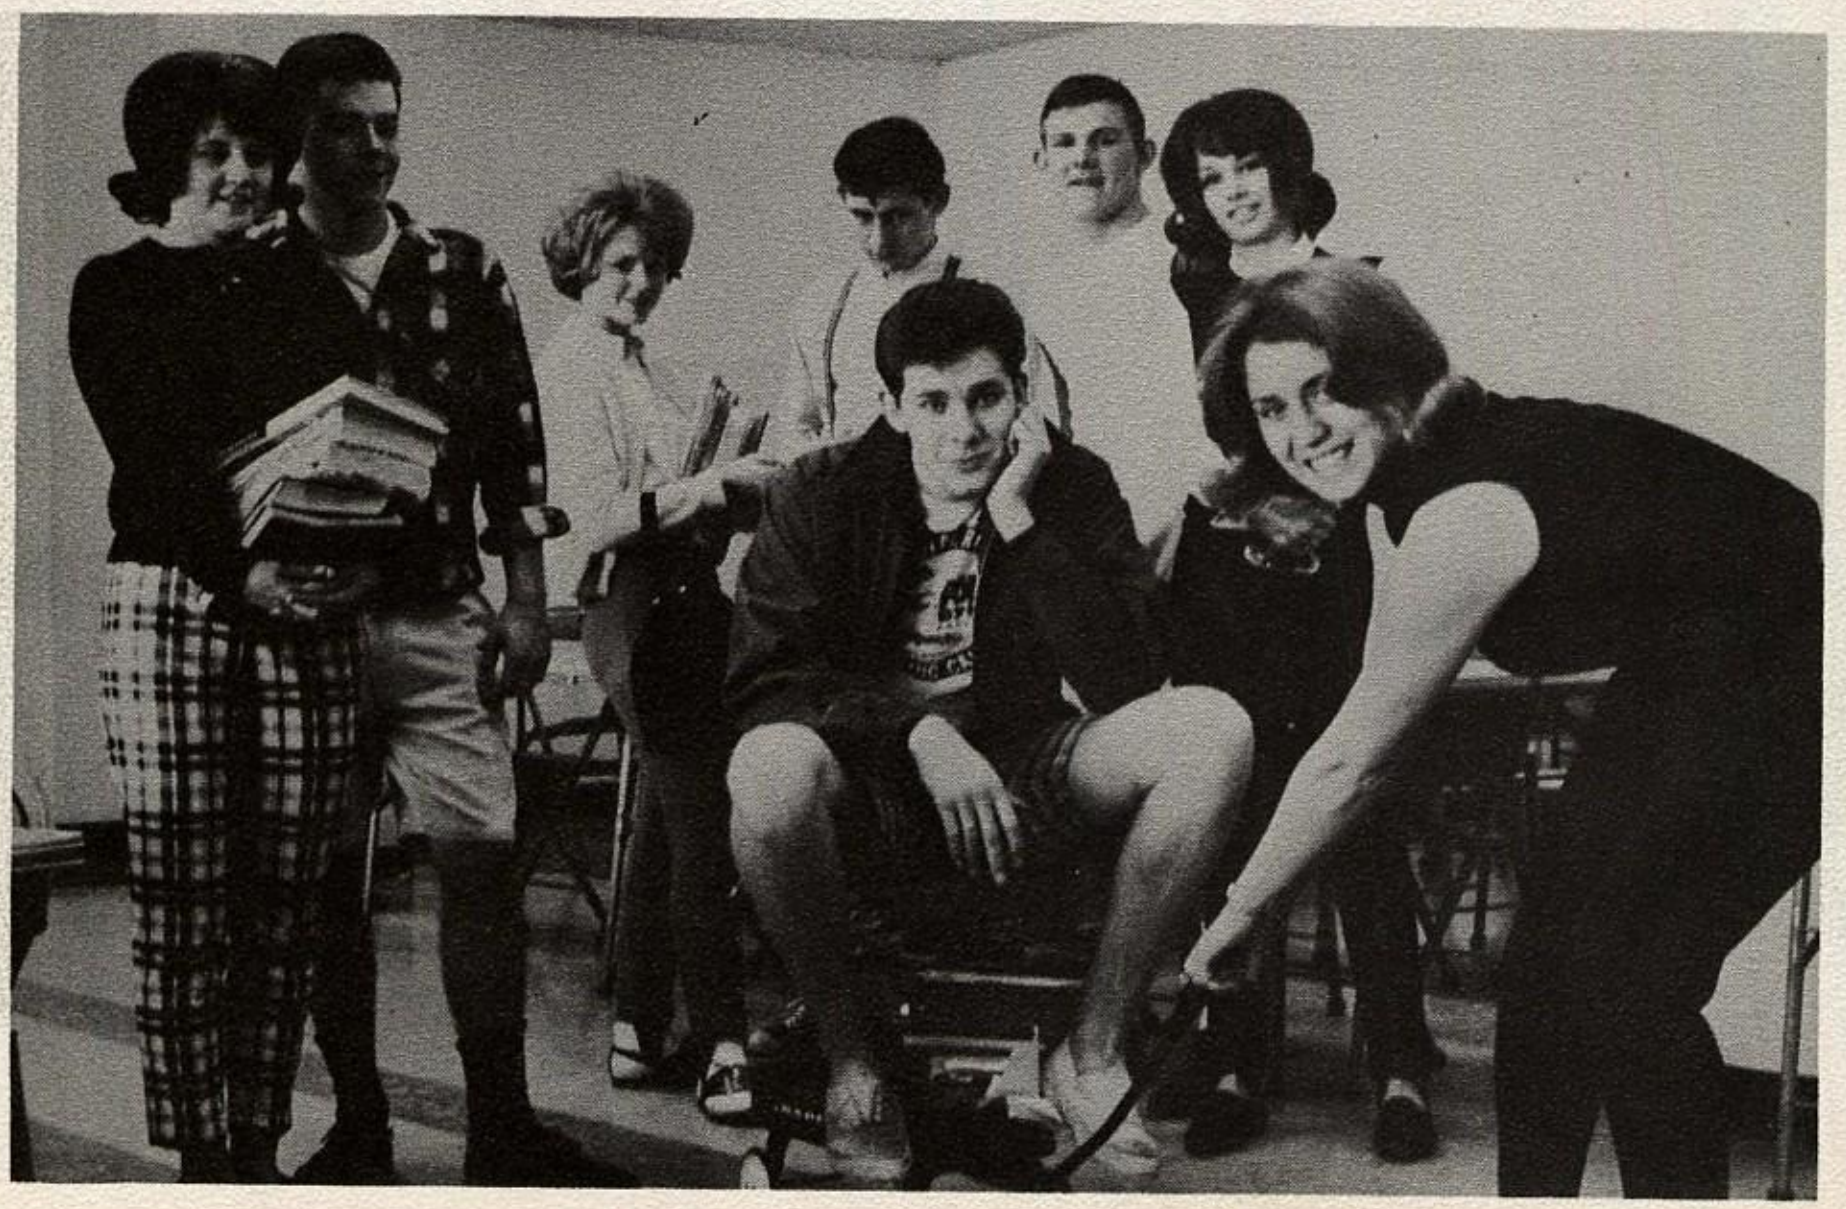
Twirp Week is an annual celebration at Turner that takes place each year approximately at spring time. The tables are turned, and the girls take over the position of the males of THS. They open doors, carry their books, pay for any dates that week, and ask them to the Twirp Dance at the end of the week. This week gives the shy girl, as well as others the chance that they have been waiting for all year--the chance to ask that special boy to the Twirp Dance.

A day of casual dress was also allowed. The boys were allowed to wear bermudas, and overalls. The girls were allowed to wear slacks and cullottes. In appreciation of this day, the students participated in a dress-up day. The boys wore suits, and the girls wore their best dresses.



Senior Gary Main jokingly recalled his early days in old Mexico as he prepares for Twirp Week.

Getting ready for the annual Twirp Week were: Janet Morche and Paul Bartles, Doris Prather and Jerry Chambers, Larry Ray and Vivian Tolar, and, Randy Poletis and Becky Muro.



Sandy Smith was "enslaved" to Larry Bunce as part of the crowning ceremonies of the king and queen of the Twirp Dance.

TWIRP DANCE

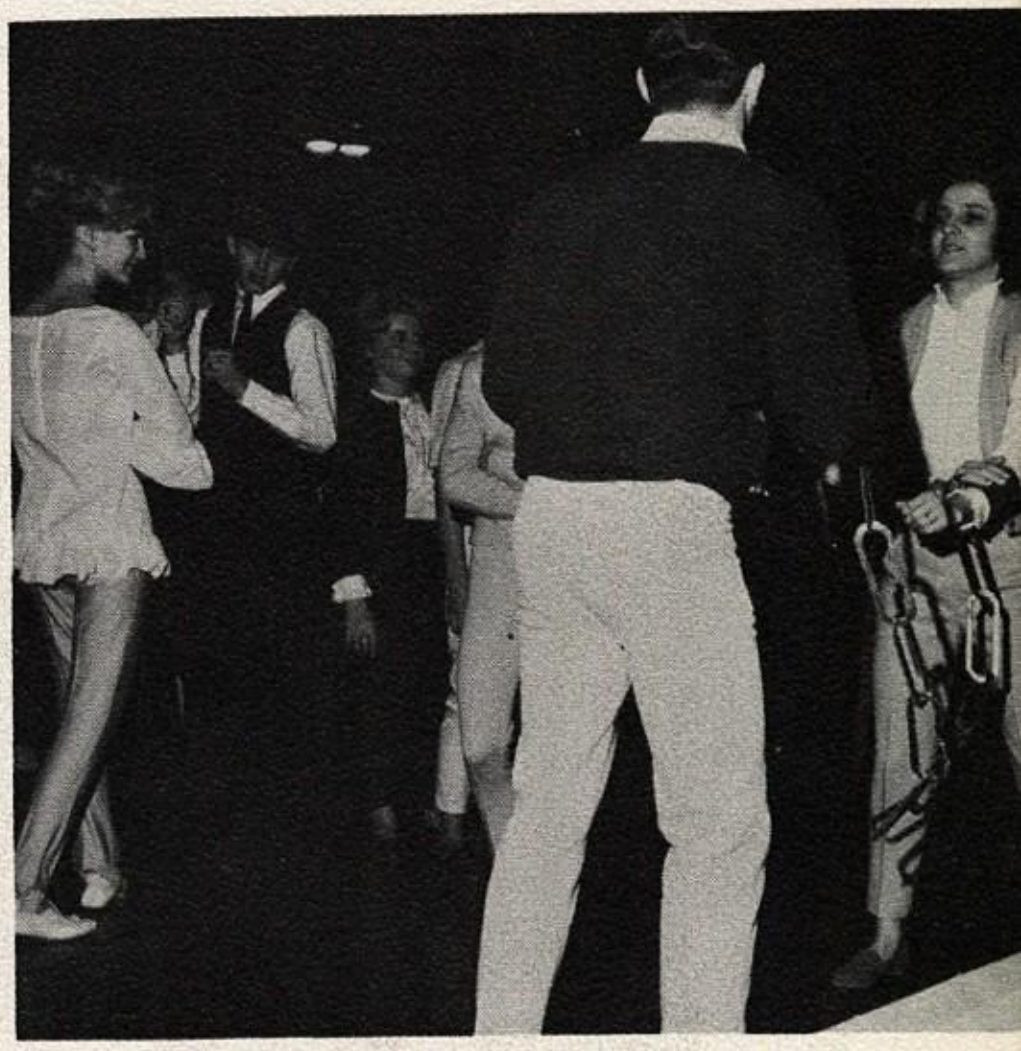
Proved to be Memorable With "Chain" Crowning

This year the Student Council sponsored a dance to end Twirp Week. It was held on March 19, with an Egyptian theme. The students dressed in school attire were surrounded by mummies, camels, and pyramids for an effective setting.

Slave tickets were sold for 1¢ to the girls during Twirp Week. Whenever a girl would do a deed for a boy, she and the boy would sign the ticket and would write down what it was that the girl did for the boy. Whichever girl had acquired the most tickets during that week, she was crowned the Twirp Queen.

Sandy Smith was crowned Twirp Queen, choosing Larry Bunce as her King. The two were chained together with a paper chain as a symbol of their life together forever.

Dancing along side Larry and Sandy at the Twirp Dance were Linda Jenkins and Steve Hanna; looking on is Donna Cook.



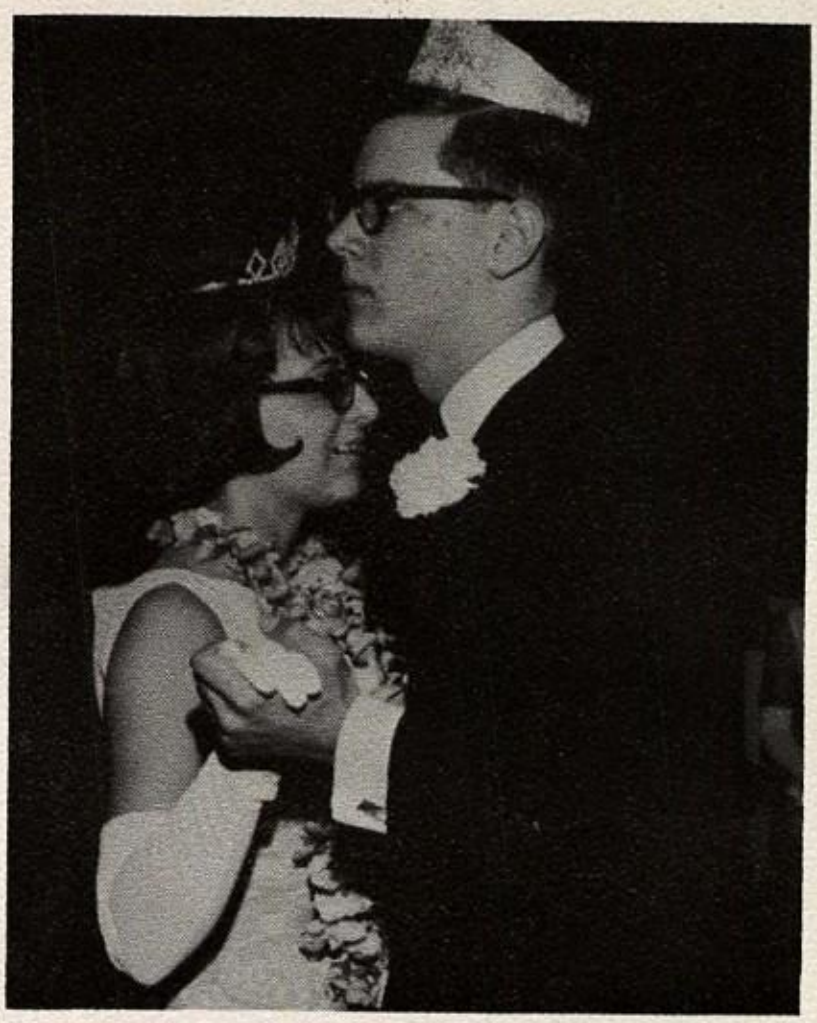
PRESS BALL

Scene of the Presentation of 1965 T.H.S. Royalty

"Hawaiian Paradise" was the theme of the 1965 Press Ball sponsored by the Journalism Dept. This dance emphasized the presentation of the Turnite Royalty.

The decorations for the evening were palm trees, pineapples, murals depicting the Hawaiian atomosphere, an active volcano, and a thatched hut which provided refreshments.

The throne, located at the far end of the gymnasium, was decoratively prepared for the Royalty. White wrought iron chairs were highlighted with the ancestrial Hawaiian mask in the background. Perpendicular to the throne were two palm trees forming an arch that outlined the path for the Royal Promenade.



Miss T.H.S., Linda Easter and Mr. T.H.S., Larry Fagan danced to the music of The Shadowmen at the annual Press Ball.

Press Ball Royalty, left to right: Don Gentry, Michele Schroeppel, Bob Howard, Connie LaPoint, Terry Gerkovich, Sharon Turner, Linda Easter, Larry Fagan, John Sullivan, Bette Cox, Armon Jones, Donna Cook, Mike Stienmetz, and Judi Greenwood are seated on the royal throne directly after their crowning.

Prince and Princess of Athletics Bob Howard and Connie LaPoint joined in the traditional royalty dance.

The initial highlight of the evening was directed to the presentation of Turnerite Royalty, by Steve Holt and Linda Innes, Mistress and Master of Ceremonies.

Prior to the Press Ball, the Senior class elected thirty couples to run in a student wide election for Royalty finalists. Sixteen couples were then elected and personally interviewed by eight impartial judges, ranging from teachers to business executives.

Finalists were recognized during the Royalty ceremony and as each prince and princess was announced, they proceeded to the center of the room where they were crowned by the 1965 Homecoming King and Queen, Gene Mertz and Vicki Hecke. They were assisted by Terri Elsbury and Steve Straub, flower girl and crown bearer.

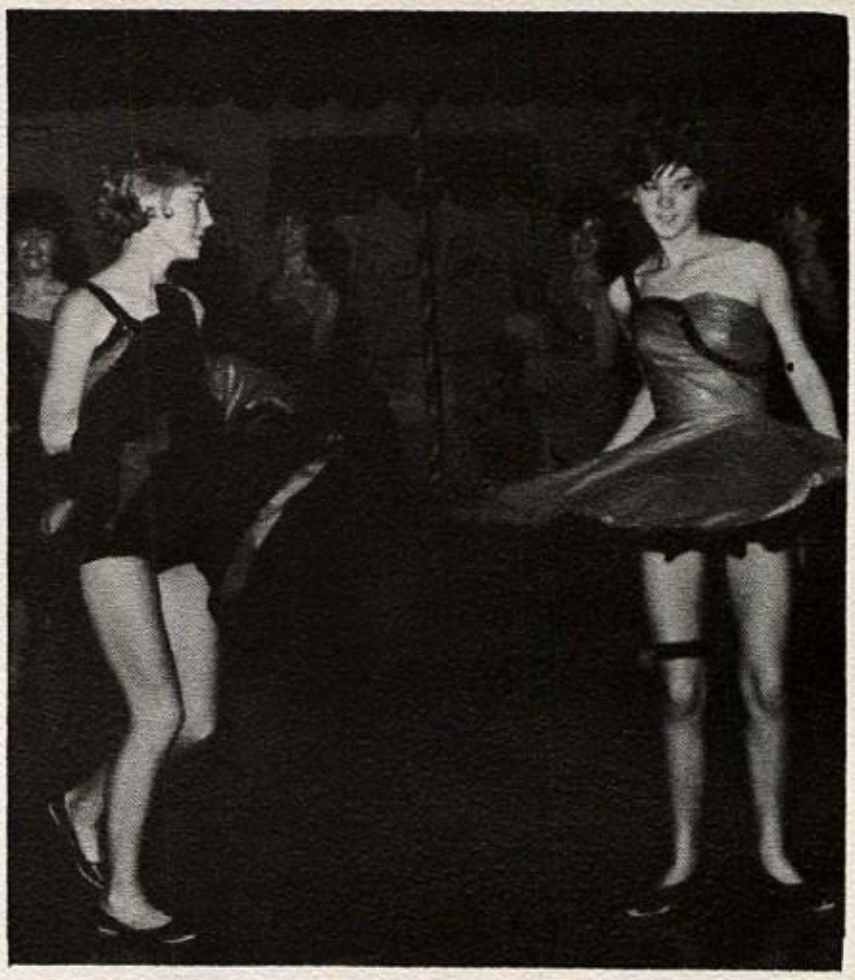
JR.-SR. PROM

Was A Towering Success With a Theme of Paris Enchantment

The theme of the 1964-65 Junior-Senior Prom, "An Evening in Paris" was completely carried out; the gym was decorated as an French outdoor cafe.

The guests were entertained by amusing skits and danced to "The Shadows". Danny Gilbert, dressed as a Frenchman, took pictures of the couples for mementos.

Punch and French pastry was served; the tables were decorated with a checked tablecloth and a candle.



Lois Middleton and Cheryl Barnett swirled and twirled as Parisian "can-can" dancers at the Jr.-Sr. Prom.

Jack Andrew, Cindy Webb, Susan Potchad, and Jim Kendall enjoy the evening dancing and nibbling on French pastry.

Mike Beard and David Blakely wondered "how you're gonna keep them on the farm after they've seen Paree" while others look on: Jim Gladieux, on chair, Pat De Nolf, and Joan Carrillo.

Curiosity kills the cat and this couple decided to explore the Eiffel Tower center piece at the Prom.

Playing the role of a French street photographer, senior Danny Gilbert snapped Steve Cathy and Vanya Carothers at the Junior-Senior Prom.

The Junior Class play, "The Barretts of Wimpole Street," which was presented on February 4 and 6, concerned the actions of one family and what heartache and torment their domineering father brought them. SENIOR PLAY

Scenes of a Common Family Exhibited

"Time Out for Ginger" was chosen to be the Senior sponsored play, and on April 9, and 10, was presented to audiences who loved the "at home" reality it offered them. This delightful comedy was centered around an upper middle-class family and their complications in transforming their tomboy daughter, Ginger, played by Sue Skwarlo, into being a young lady. The puzzeled, but understanding parents of Ginger were portrayed by Jerry Sims and Judy Fauser. Other members of the cast were: Lizzie, the maid, played by Diane Bottorff; Joan Carol, one of the sisters, by Ann Grossarth; Jeannie Carol, by Connie Robbins; Eddie Davis, Joan's boyfriend, by Jon Johnson; Tommy Green, Ginger's boyfriend, by Don Scott; Mr. Wilson, by Clinton Hurt; and Ed Hoffman, the school principal, by Roy Whitaker.

"Did you hear that--she made the football team" exclaims Jerry Sims (Mr. Carroll) to his wife (Judy Fauser).

Roy Whitaker, Clinton Hurt, and Keet Eaton become involved in conversation as they take a few moments break from play rehearsal.

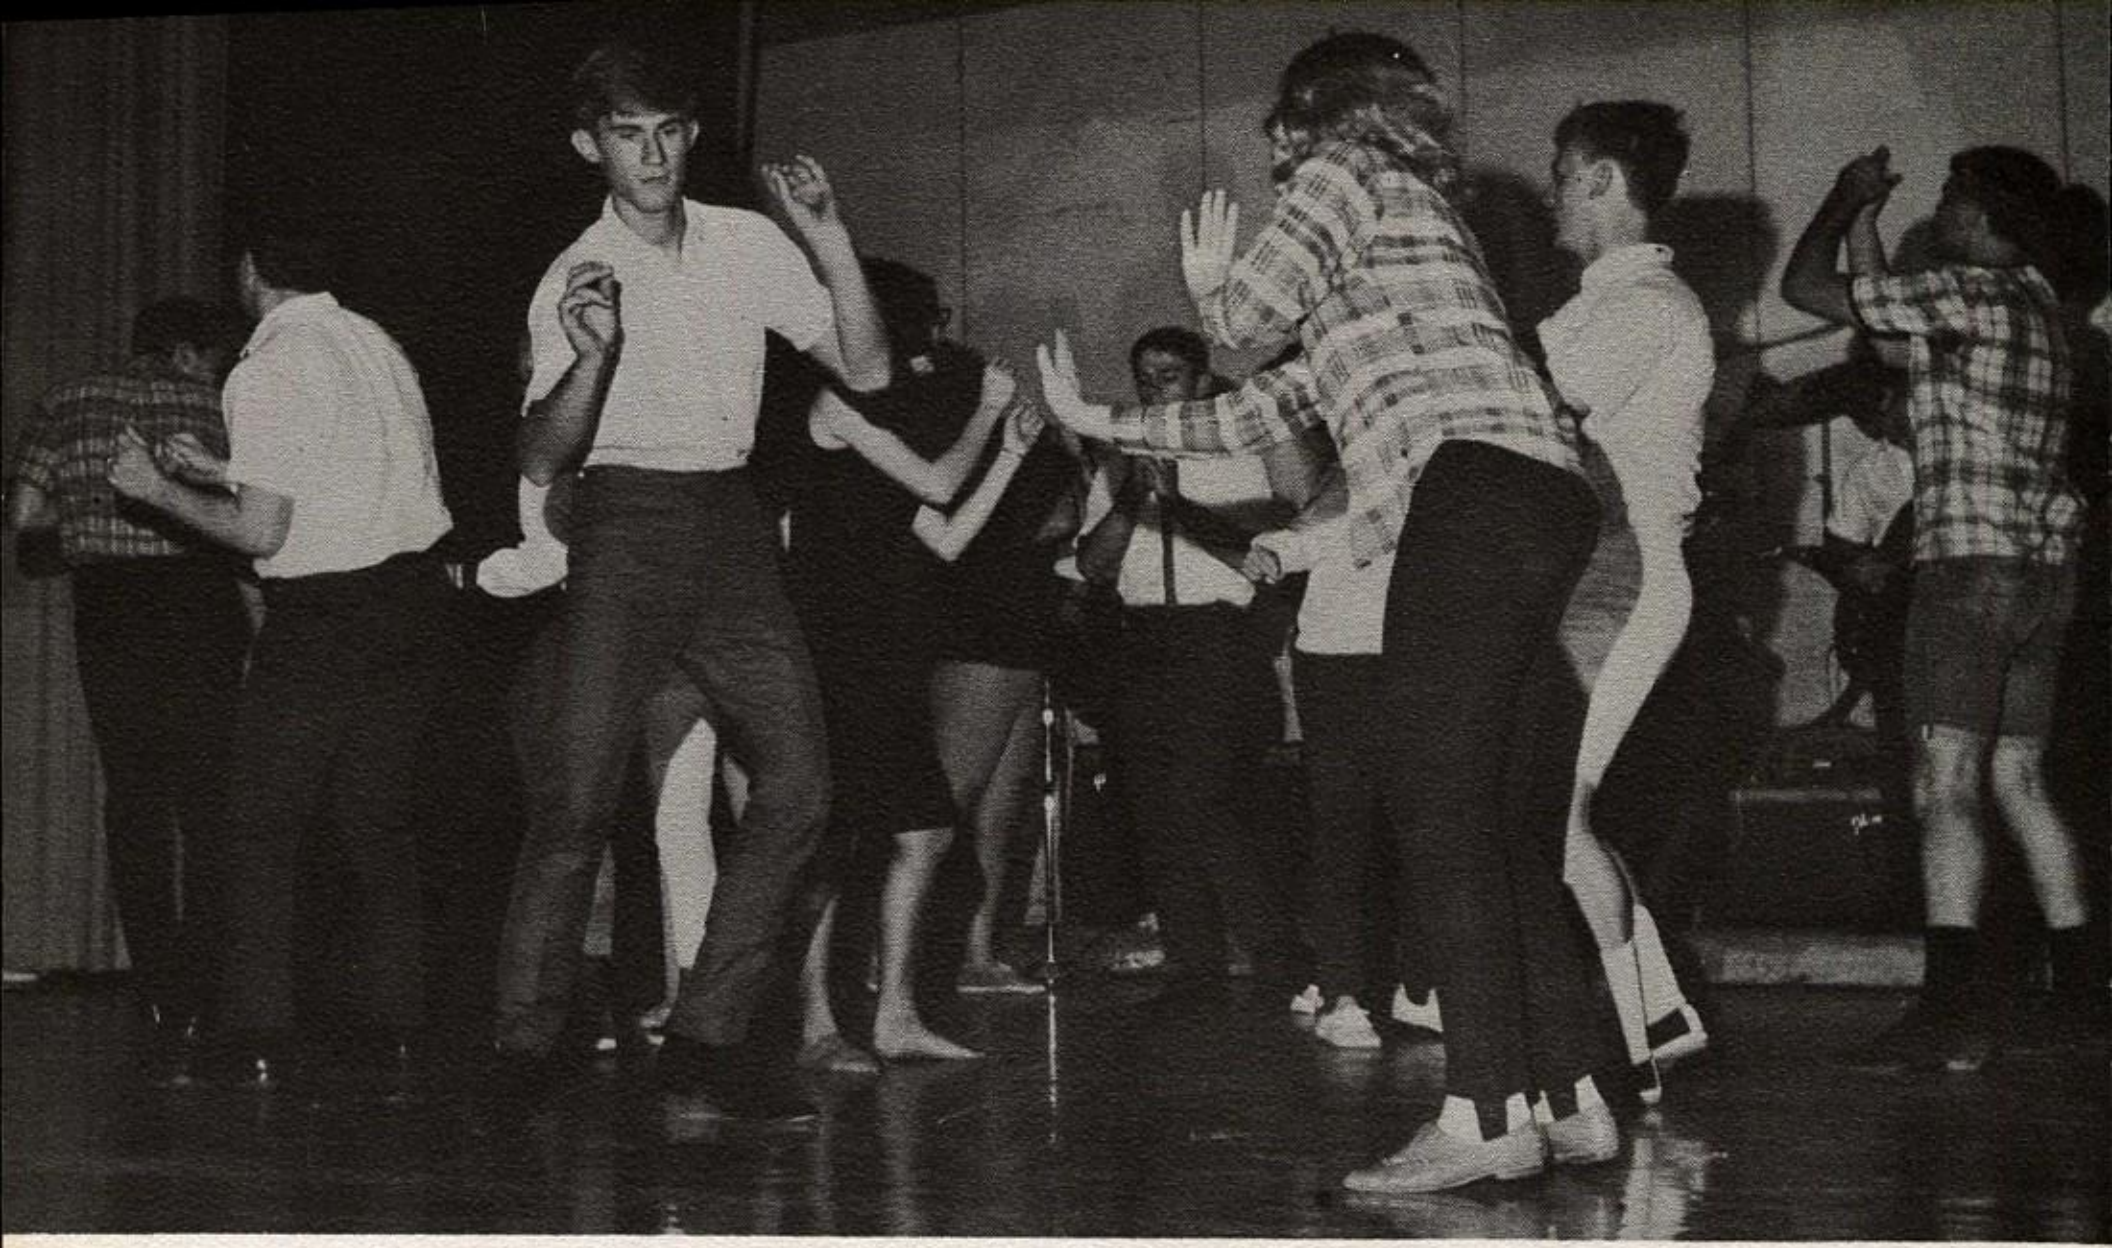
In scene II Mr. Carroll reassures his wife how beautiful she really is.

Dressed as Queen Victoria for her part in the school's play, Jeanie Carroll (Connie Robbins) prepares to leave with Lizzie (Diane Bottorff) the family's maid.

Ed Hoffman (Roy Whitaker), President of the town bank, has come to tell Mr. and Mrs. Carroll (Jerry Sims and Judy Fauser) that they are being laughed at by the whole community for encouraging Ginger to play football for the school team.

Ginger (Sue Skwarlo) has finally decided to be a girl and leave football for the boys in a discussion with her agreeable father.

Eddy Davis (Jon Johnson) teases Tommy Green (Don Scott) about his "girl" friend being on a football team, as the latter starts to punch him for these unwelcomed remarks.



Randy Poletis, Rick Lorfing, Ronnie Dawkins, Michele Schroeppel, Paul Richardson, LeAnn Lynch, Dennis Howell, and Joe Pollock were dancers in the Seniors' Assembly.

SENIOR ASSEMBLY

Memories to Keep in Future Years

The Senior class presented the Senior Assembly to the student body on May 21. It was a creative representation of the history of the graduating class of 1965. Madame Rhue, portrayed by Mary Ann Wilson, told the future of the class to a group of its potential members.

The program was divided into four main sections; the freshman, sophomore, junior, and senior years. Highlighting such events as Connie LaPoint, freshman candidate for Homecoming; Don Gentry breaking the track record in 1963; preparations for the 1964 Junior-Senior Prom; and the Turnerite Royalty for 1965.

The climax was the closing song of "Moments to Remember" and "Class of '65" written in neon lights ending the span of four years.

Madame Rue (Mary Ann Wilson) retold the past as Wally Falconer, Cliff Tisdale, Mary Ann McDonald listened attentively.

In this scene from the first place Sophomore stunt, the mighty hunters are surrounded by vicious cannibals.

As a result, ten per cent of the class was selected to become members of the National Honor Society. These students were chosen on the basis of service, leadership, character, and scholastic achievement.

The twenty-five honor students were initiated into the society in a formal and dignified ceremony in the high school auditorium. Each student signed his name in the Turner Chapter Book and was presented with a certificate of the National Honor Society.

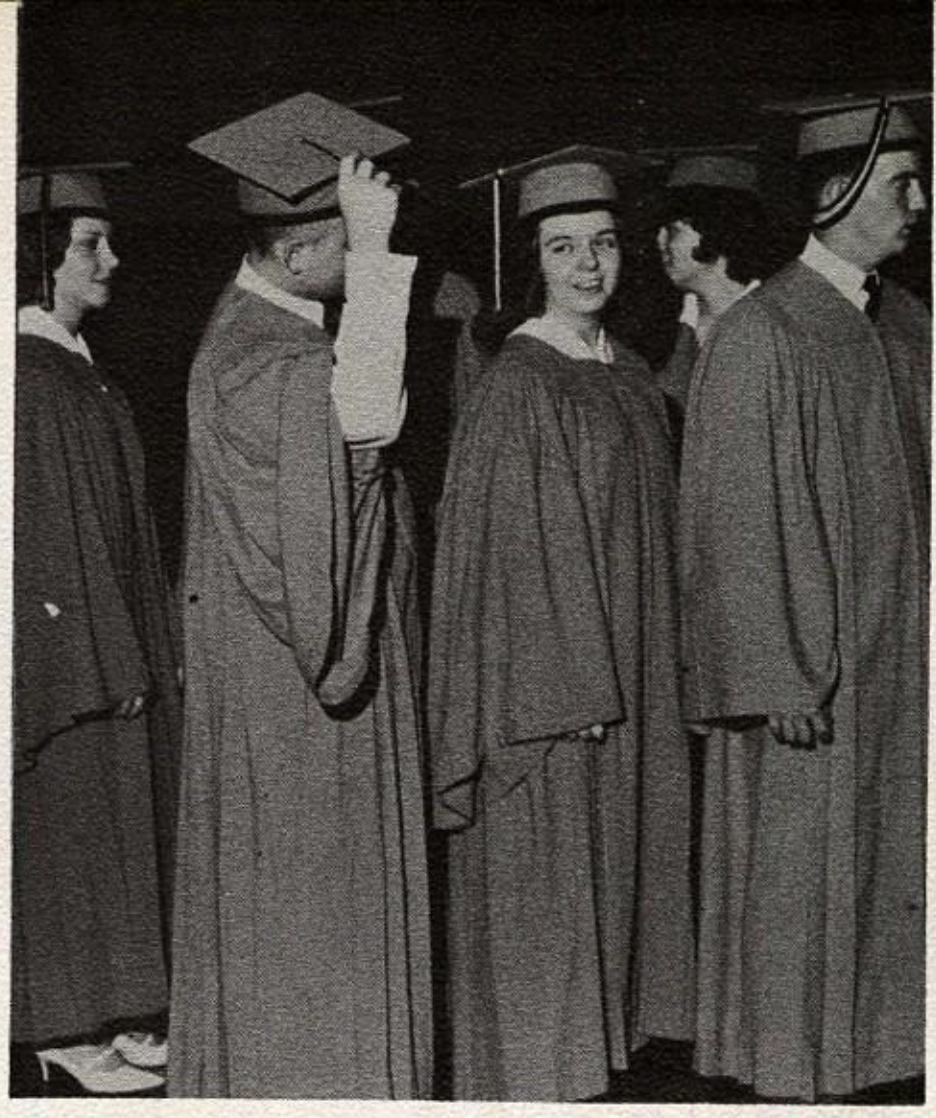
COMMENCEMENT

"Vitamins" Are Given At '65 Commencement

Baccaulaureate services began at 8:00 with the traditional processional, "Largo".

Dr. W. L. McGrew presented the invocation and benediction. The choir sang, "Bow Down Thine Ear". The class sermon was given by Rev. Wilbur Woods.

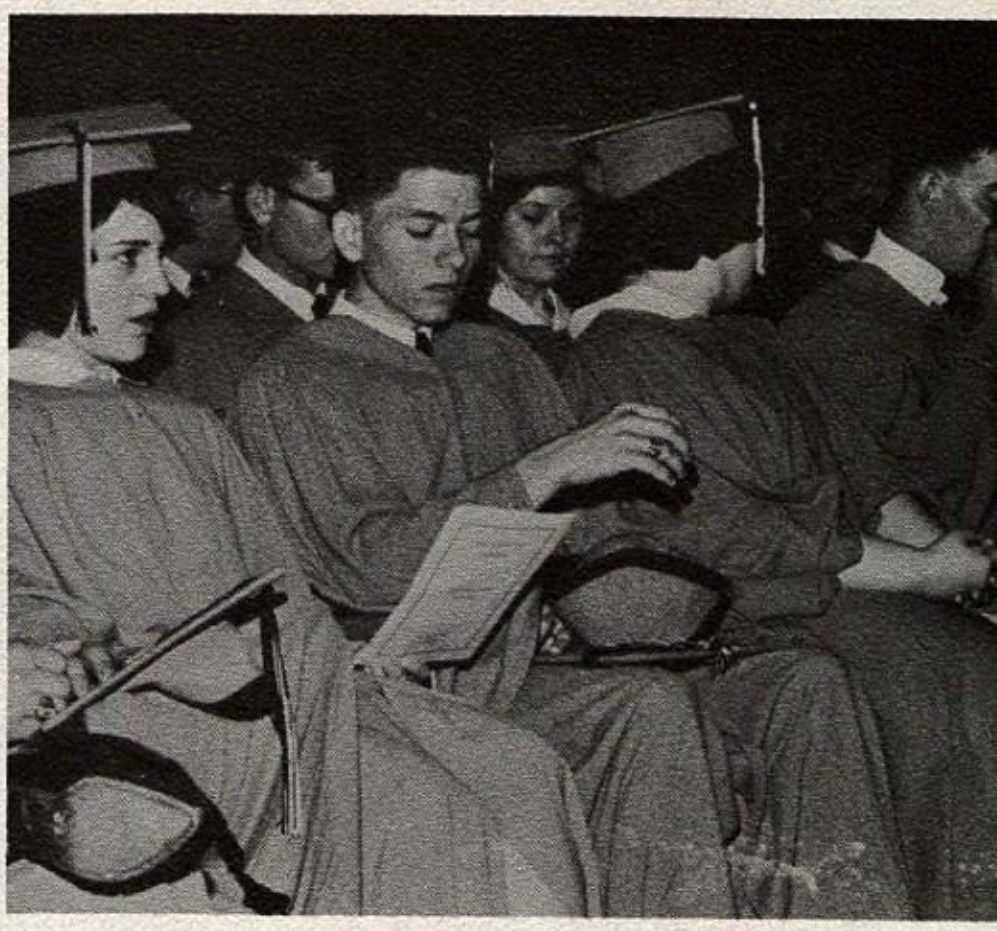
Commencement, May 27, drew a close to a period of four years for the graduating class of 1965. The colors chosen were black and gold, and the flowers were yellow chrysanthemums. The class motto, "To strive is to Succeed," was selected by the class. The diplomas were presented to the students by Doctor A. A. Gentry.



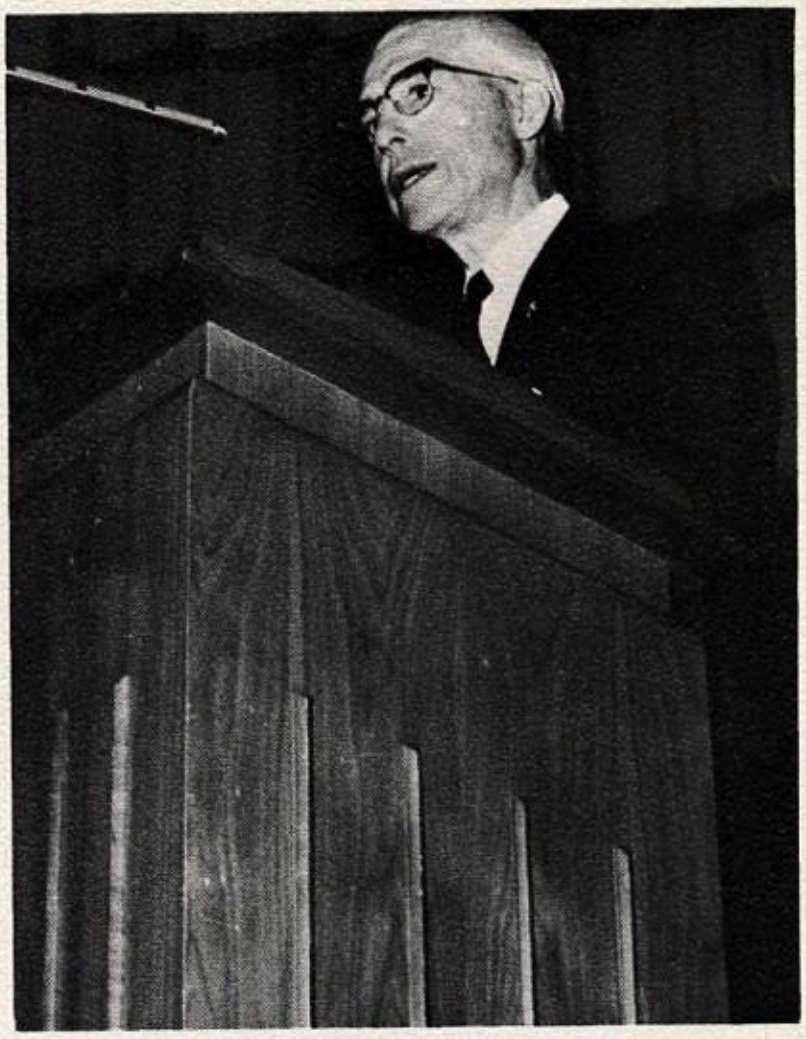
While awaiting the final moment, seniors line up in anticipation.

As is done each year, Miss Cunningham plays "Pomp and Circumstance", while the graduates file into the auditorium.

Mixed emotions are apparent at the annual Baccalaureate Services.

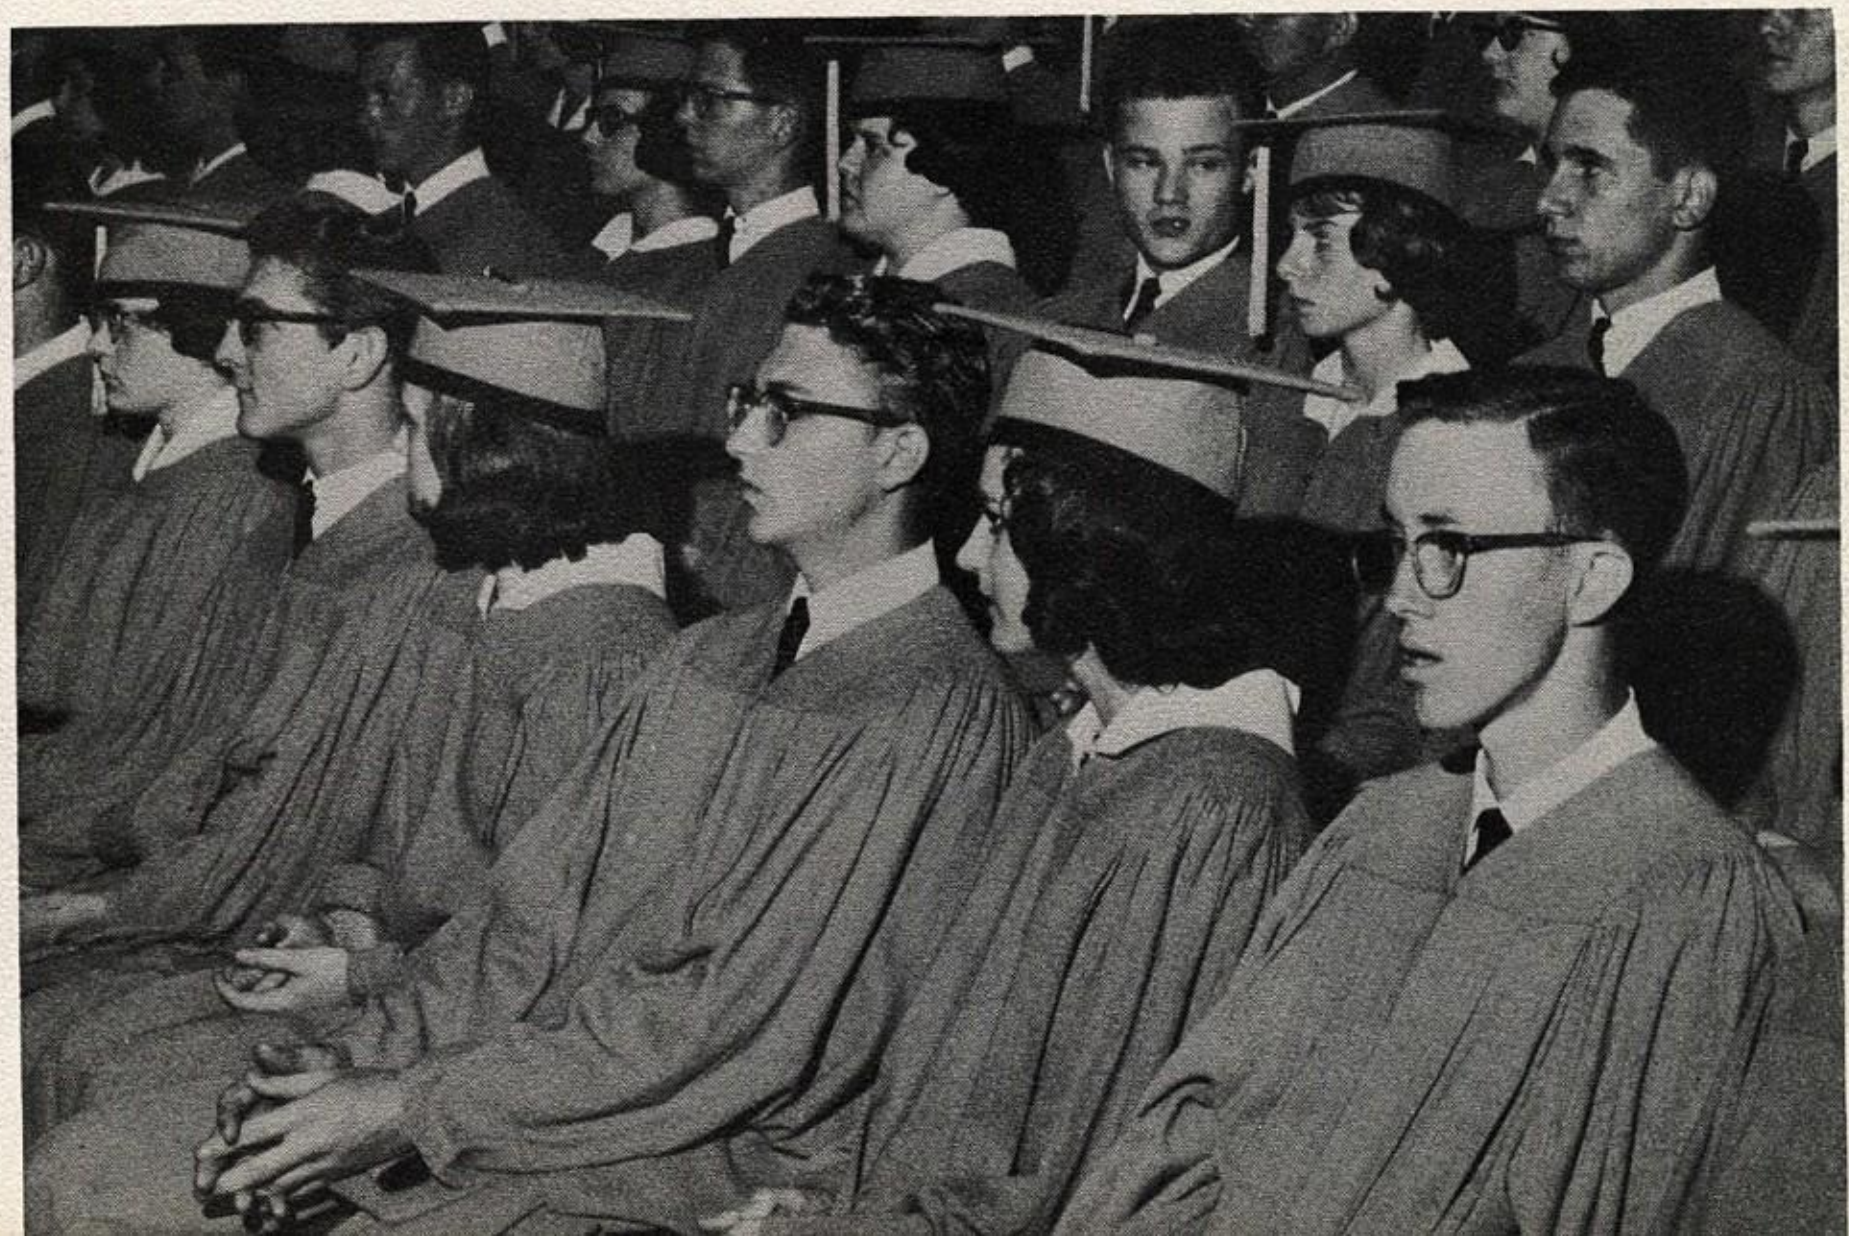


Sharon Turner smiles happily as she receives her long awaited diploma from Doctor Gentry.



Mr. Guy V. Keeler delivers the commencement address, "Vitamins For Your Future."

Mixed emotions are shown on the faces of the class of 1965 as they listen to the graduation speaker.



Symbolic of the advantages gained from membership in any one of the many THS clubs or organizations in the past year are three things. Service: the knowledge that you are contributing something to the growth of the particular organization you are a part of. Security: the wonderful feeling of being a benefit to society. Satisfaction: the ultimate reward for your contributions. And now, as the contents of these pages transport you in time, take vicarious pleasure in recalling those moments that are forever unchangeable.

JOURNALISM

Publications Create Great Responsibilities

The main responsibilities taken on by the journalism department are to publish a bi-weekly student paper, The Booster, and the Turnerite. These publications are edited by the senior journalism class under the guidance of Mr. John Harley.

Learning new styles of writing and the basic skills and terms used in journalism make this course a useful learning process.

The photographers are an important part of the yearbook staff. Danny Gilbert and Larry Moore have been working in Turner's photography department for the past four years. Each year they print not only the Booster pictures, but over three-fourths of the pictures for the yearbook.

For once our busy photographers, Danny Gilbert and Larry Moore get in the picture.

Section Editors of the Turnerite were: Connie LaPoint--Student Life, Connie Baxter--Ads and Index, Rhonda Rose--Classes, Bill DeBaun--Sports, and Nance Witter, Faculty.

From the deep mystic world of our journalism room comes a typical day problems and WORK.

LITERARY SOCIETY

Edits School Magazine Of Literary Efforts

The Literary Society for this year started early with work on their annual magazine called "Lit and Wit". The purpose of the club is to encourage creative writing at Turner; to help students interested in writing become acquainted with what other students are writing; to help students develop critical insight into what makes a "good" poem, story, or essay; and to publish the literary magazine.

Members worked throughout the year judging and criticizing material handed in by students. The best selections were chosen for the magazine and winners of the contest and their catagories were: Poetry, Will Cain; Essay, Sharon Foster; and Short Story, David Williams.

This year's officers were Janet Rouse, President and Editor, Michele Schroeppel, Secretary, and Gary Downey, Treasurer. Mrs. Virginia Swartz was the sponsor.

THESPIANS

Dramatic Enthusiasts Earn Own Membership

Each year a group of dramatically inclined students meet to elect their club officers. The determined leaders direct their club members towards success as the Thespian Club of Turner High undertakes their yearly responsibilities.

To become a Thespian, a student must earn a total of ten points. He may do this by participating in a play, either on stage as an actor, backstage, working on the crew or by donating his services as an usher. After a total of sixty points has been earned, a member has then achieved a position of an Honor Thespian.

The annual Thespian show and Thespian picnic brought a climax to the year for all the club members. Also awards were given for the best actor and actress as well as best technicians of the year.

Thespian Club officers for 1964-65 were President Charles Armantrout; Vice President, Sue Kenslow; Secretary, Connie Robbins; and Treasurer, Clinton Hurt.

When looking back on a year filled with both athletic accomplishments and disappointments, the ancient adage comes to mind . . . . . the victory or the defeat are important; it is the manner in which either was accomplished that matters. This indeed is symbolic of sports . . . the knowledge that we did our best when it counted overshadows the memory of defeat when victory was most desired, of the cheering that we thought somehow would effect the fate of the game, and the final heartbreaking exodus from the stadium after failure.

COACHES

Coaches Build Character As Well As Athletes

Building winning teams is only a part of a coaches job. They are also constantly trying to build the character of their athletes and to create a good competitive spirit.

This year Turner acquired a new head football coach Sherm Price. His assistants were Burley Martin, Bruce Bowman, Hubert Waugh, and a new assistant coach Gerald Haney. The other fall sport was cross country whose coach was Stan Eitzen. Jim Holwerda heads the basketball department with assistance from Stan Eitzen and Hubert Waugh. Wrestling also came into being this year with its' coach being Gerald Haney.

The track squad was headed by Joe Baker and his assistants, Burley Martin and Sherm Price. Last but not least is golf coached this year by Stan Eitzen.

FOOTBALL

Team Play is Essential for Successful Season

Playing their first season under the supervision of new head coach Sherm Price, the varsity football team was able to capture a third place finish in league action with a 3-2 record and complete the regular season with a 3-6 mark.

In their first two encounters of the season the Bears were defeated by two tough Sunflower league rivals; Shawnee Mission North and West. The Bruins also dropped their next contest to Leavenworth.

Upon entering league action, however it was a different story as they defeated their next three foes handily. They were Olathe, Bonner Springs, and Argentine.

In the final three games of the season the Bears were again defeated by Rosedale, Ottawa, and Washington.

The fine league finish and discovery of many promising underclassmen combine to provide a successfull first season for the new coach.

JUNIOR VARSITY

Three Wins, Four Losses and One Tie in Season

The junior varsity finished the 1964 season with a three wins, four losses and one tie record. The cubs were pioleted by coaches Mr. Martin and Mr. Haney.

The high point of the campaign was on November the second when the Golden Bears ended a five game winning streak held by the Ottawa Cyclones. The final score in that battle was 6-6. Although it was not a victory, scorewise, it was the only mar in an otherwise perfect record for the Ottawa team.

Many of the juniors and a few sophomores played on the varsity squad during the season gaining valuable experience for the coming season.

SOPH. FOOTBALL

Field Experience Gained With Longer Schedule

With approximately 40 boys participating on the Turner sophomore grid squad the young Bruins compiled a four wins and three loss slate to finish with a winning record for the 64 football season.

Three more games were added to the schedule than had been in previous years. The sophs, were victorious in encounters with Olathe, Sumner and two successful conquests of rival Argentine. They were defeated by teams from Antioch of North Kansas City, Shawnee Mission North and Washington High School.

Although record wise the season was not as successful as the previous year when the sophomores of 63 compiled a 3-1 mark. The addition of the three extra games, however, gave the squad extra playing experience that will be of great value to them on the gridiron in years to follow.

MANAGERS

Many Hours Work Keeps Team In Shape

Efficient Managers are essential to the smooth operation of any athletic team. Managers sort out equipment as well as treat any wounds that might be inflicted on any of the players during the course of a game.

The athletic managers must spend many after school hours helping out on the field and in the locker room during practice sessions.

Much of the credit for a smooth running team should be awarded to this small, hard working group of students.

BASKETBALL

With the team made up mostly of underclassmen with little varsity experience, the varsity basketball team was able to shake off an early season slump and adopt winning form by mid season. The fast finishing Bears completed the season with a 8-9 overall record and a 7-3 second place finish in E.K.L. action.

After compiling a 1-6 pre league slate, the Golden Bears developed a roundball mastery over the league foes. The Bruins relived victories over Olathe twice, Rosedale twice, Argentine twice and a single win over Bonner Springs. The losses came in the hands of Bonner once and Ottawa twice as the Cyclones gained their first victory on the Bears home hardwood.

J. V. BASKETBALL

Cubs win Nine Straight Finish first in E.K.L.

The Golden Bears junior varsity basketball team did an outstanding job during the 64-65 roundball season as they captured a first place finish in league and were only defeated three times during the entire season.

In pre league action the Junior Bears won two and lost two as they were defeated by Sumner and Manhattan and in turn defeated Washburn Rural and Shawnee Heights.

When they entered into the league slate, the Cubs began a rampage that carried them over nine straight league foes and anchored them in first place. In the last league contest of the season the Argentine Mustangs rallied to hand the Cubs their first and only defeat of the league season. They still finished in first place with a 9-1 mark to cap a very successful campaign.

SOPH. BASKETBALL

Streak Aids Record As Sophs Battle for Victory

The 1964-1965 sophomore basketball team, coached by Hubert Waugh, began the season in a not too impressive manner, but they were able to improve drastically by the time mid season rolled around.

At the outset of the season the bears were able to only win one out of their first seven contests to start out with a 1-6 record. At this point of the season, however, the squad vaulted into action as they were victorious in their next four encounters. In those games they collected victories over Shawnee Mission North, Argentine, Olathe, and Bonner Springs. Their most impressive win of the campaign was a 42-26 rout of the Bonner Springs Braves.

The sophomores were a very strong team in the offensive department, but lacked a potent defensive attack.

Coach Waugh was well pleased with the teams victory string and respectable finish.

WRESTLING

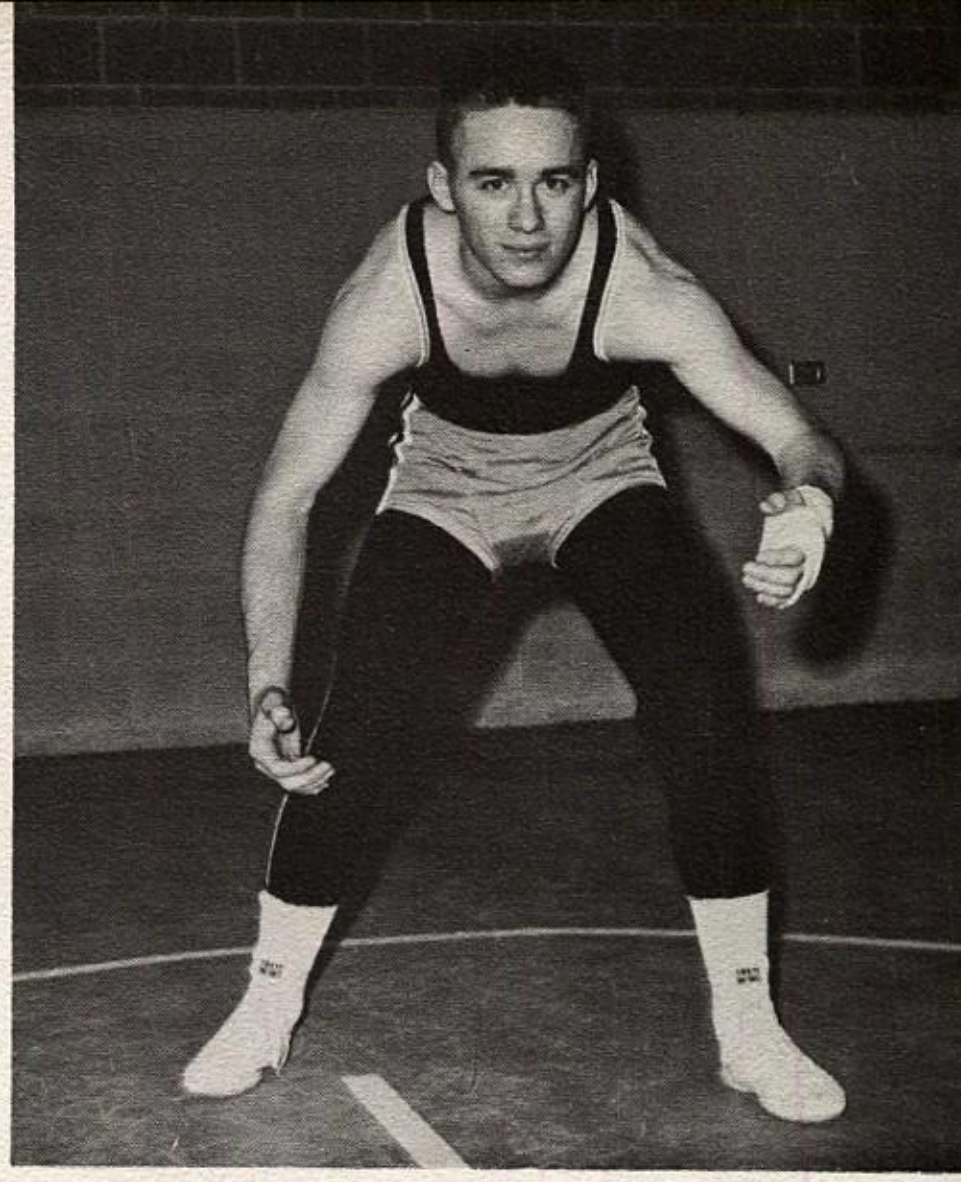
First Year a Success For Turner Grapplers

Wrestling, the newest sport in the Turner athletic program, exploded into prominence as a most interesting sport for both the participants and spectators. A large number of boys came out for the sport and the most rugged finished the first and highly successfull season.

Conditioning, fitness, and the learning of wrestling skills took up most of the first year.

Victories over Olathe and two wins over Paola and close decisions with the school for the Blind and Washington highlited the season. Leading in individual victories were captain Mike Haney, 138 pounds, and Terry Precht, 95 pounds.

Eleven varsity members will return next year for the second season of competition.



Mike Haney, 138 pounds, served as captain for the firs wrestling team

CROSS- COUNTRY

Distance Running Takes Will and Hard Practice

The Golden Bear cross country team completed their 1964 campaign on October 22 with the East Kansas League Meet held on the Turner High course. The Bruins finished in fourth place in the meet as they were paced by Craig Cassidy, who dashed to a fourth place individual finish.

The squad was working for their first season under the direction of the new harrier coach Stan Eitzen.

Cross country is a sport that relies almost wholly on individual efforts and practice. The Boys on the team must follow a tough program of daily workouts and many of them keep up their workout schedule in the summer months.

Coach Eitzen was well pleased with the finish of his first squad.

First Row: Larry Wright, Harry Miller, Steve Abbott, Mike Robertson, Benny Harding. Second Row: Tom Dart, Dave Merril, Don Gentry, Craig Cassidy, Mike Boan. Third Row: Fred Locke, Jim Hague, Richard Andrews, Walter Berry, John Thorton, Coach Eitzen.

Golf coach Stan Eitzen cited junior Curt Nichols as best Golfer of the year and with his whole team returning, he is looking forward to higher finishes in the future.

For many of us, seemingly the challenges are gone now. No longer need we continue to search for the answer. But such is not the case. What our teachers have taught us----only symbolizes one step further along the never-ending road we must follow to find knowledge. And when that door opens to the world on graduation night, giving the opportunity to meet this challenge--let us not forget how the teachers helped us gain this wonderful opportunity.

Help Students with Programs and Problems

There were three guidance counselors this year at Turner High School; each one had the responsibility of testing, counseling, and guiding THS students.

Mrs. Eisele has been at Turner for six years now, and is well versed on college qualifications, admission, and scholarships.

Mr. Gene Bell, in his tenth year at Turner, was in charge of student records, testing programs, and student council.

Mr. Gerald Haney, in his first year at Turner, served as counselor, Psychology teacher, assistant football coach, and head wrestling coach.

ENGLISH

Many Selections Offered for Variety in Schedules

Each year in the English department minor changes are made, but generally the annual schedule of study remains the same. Requirements for graduation also remain the same--three general English courses and one selective.

The general courses, English I, II, and III, include study of great literature. English I classes cover Great Expectations, English II students ponder Silas Marner, and English III offers study of the famous play, "Our Town".

The selective can be any one of many subjects: journalism, speech, debate, creative writing, drama, stagecraft, and English IV, for the college bound.

LANGUAGES

World Knowledge Broadened Through Language Study

Every year the countries of the world come into closer contact making it important for us to be ready to meet the challenge of being able to communicate with the people of these lands.

Turner provided students who are interested in learning a foreign tongue with three choices: Latin, Spanish, or French.

Spanish has been added in the last two years.

Latin was offered for two years for those eager to study the root and basis for many other languages.

Three years of French were offered. The third year was devoted not only to grammar but to the history and present day culture of France.

Debate, Journalism, and Dramatics add to Program

Debate, in its second year at Turner, coached by Merle Harris led his squad to a successful season. Seniors Tom Shutt and Charles Potter captured second place at Shawnee Heights, and later in the year junior Kathy Dickens and senior Terry Colby took first place at the Olathe tournament. This year the squad total win-loss record was at least fifty percent wins.

After completing the debate season, Turner debators entering the EKL Speech and Drama Festival at Lawrence, where Sue Skwarlo won a "one" rating for dramatic reading, and Doug MacFarland and Kathy Dickens each won a "two" for their speeches.

SOCIAL SCIENCE

Help Increase World Citizen Responsibility

The teachers of the social science department held the responsibility of making good citizens of their pupils and helping them to know the country's past and its methods used to make it a sovereign nation in courses such as American history, world history, American government and international relations. They again held the responsibility of helping the student understand his world and himself insuch courses as psychology and sociology.

To live in today's world a person must understand people and be able to help mold his world for the generations to come.

ART-MUSIC

Add Cultured Element to Student Life

Music and art, Turner's two cultural departments, added a great deal to the atmosphere of the high school this year.

The Music department, headed by Mr. Erdman Johnson, presented the sixteenth annual production of Handel's Messiah. The Choir also sponsored the Musical, Li'l Abner.

The band, under the direction of Mr. A.T. Estes, presented entertaining instrumental performances, as well as a successful showing in state competition at Lawrence.

In the Art Department, headed by Mrs. Natalie Souders, several student drawings were submitted to the Scholastic Art contest, winning several awards. The Art students were responsible for the Christmas mural and the special Press Ball murals.

Steve Smith looks on as Natalie Souders helps Sharon Turner with an art project.

Girls were taught the basic arts of preparing nourishing meals, making attractive clothes, and running a household. Excellent equipment was provided for these classes so that girls would learn through actual experience, the importance of being a successful homemaker.

Turner offered these courses to girls who were interested in them as hobbies or life-time careers, the decision being left to the individual.

Miss Grosdidier is shown helping a clothing student as she works on a project.

SCIENCE

Seeks to Develop Understanding of Principles

The three main objectives of Turner's Science Department were: to open up the different fields of science to students, provide the opportunity to prepare to go to college, and to help our students understand this scientific world.

Present courses offered are: Biology I and II, Chemistry, and Physics. General Science and Hygiene have been changed to Junior Highs, losing our General Science teacher, Mr. Claflin.

Prepares Students for Careers in Business

Turner's commerce courses have played a vital part in preparing all interested students for a career in the business world.

One of the interesting courses available to those business minded people at Turner was bookkeeping, which was under the new direction of Mr. Hinton.

Miss Sharon Livengood. typing and Shorthand I teacher, and Mrs. Eberhart, typing and Shorthand II teacher, provided the students with some of the fundamentals which were practically essential in the business world.

Miss Nancy Marshall, teaching office practice and business law, delved into the mysteries of a business office, thus putting the finishing touches on the student's preparation to venture into the world of commerce.

Introduce Basics for Industrial Careers

Turner High School's Industrial Arts Department has provided a foundation for those students who may wish to become employed in an industrial occupation. Actual working experience is supplied in general shop, printing, mechanical drawing, auto mechanics, and metal and woodworking for better work habits and knowledge of the field.

Not only may one prepare for a basic vocation, but one may possibly become interested in working with the hands as a hobby.

The mind and body must be developed together. The building of the body was the purpose of our Physical Education Department and was as much a part of the school as were academic subjects.

Two years of the physical fitness program was required for graduation, but gym could be taken as an elective in addition.

Instruction in football, basketball, and track, plus intramural programs for both boys and girls was Turner's program of physical education.

PERSONNEL

Perform "Behind the Scenes" Jobs

The students at Turner High are dependent on the many office workers, cafeteria ladies, custodian, and bus drivers, as well as the teachers.

The cafeteria workers brought us well balanced meals everyday throughout the school year.

The building is kept clean by the busy janitors, while the bus drivers furnished transportation for all Turnerites needing it.

The office ladies were responsible for the many "behind the scenes" jobs that serve to keep Turner High in good working order. They were in charge of selling various school supplies collecting money for I.D. and Senior pictures and the handling of attendance records. To fill their (spare?) moments they answer the endlessly ringing telephone and file many important papers.

Janitors and bus drivers for this year were: front row: W.E. Hathaway, Tony Carrillo, Ed Howard, Wayne Emery, Frank Creig, Wesley Thiry. Second row: Terry Burke, Art Christine, Jess Johnson, Levi Hershberger, Roy Asher, Elmer Dyster and Irv Shipley.

The cafeteria staff: Mrs. Evans, Mrs. Lohrey, Mrs. John Stump Jr., Mrs. Ross, Mrs. Jones, Mrs. Whitehead, Mrs. Crummitt.

The average student of today, representing the budding man of tomorrow, resides in an enviroment of both laughter and labor, friendship and frustration. As he moves through four years of preparation for the world outside high school, he enjoys - or endures -- those magic moments of entering this dream - world of student life -- of the pleasant sophistication of being in senior high instead of junior -- and finally, of the last goodbye to it all.

IN MEMORIAM

CONNIE ALBERTSON

"Blessed are they that mourn,
For they shall be comforted."
I do not criticize the way of the Lord,
Nor am I worthy of such an act.
Yet He gives life and He takes life away.
He brings sorrow, yet He brings comfort.
His reward for the servants of God,
Is not before, but after Death.
Death is the Dawn, rather than the Dusk.
And Death is not to be feared, for it is
A simple step between one and His Lord.

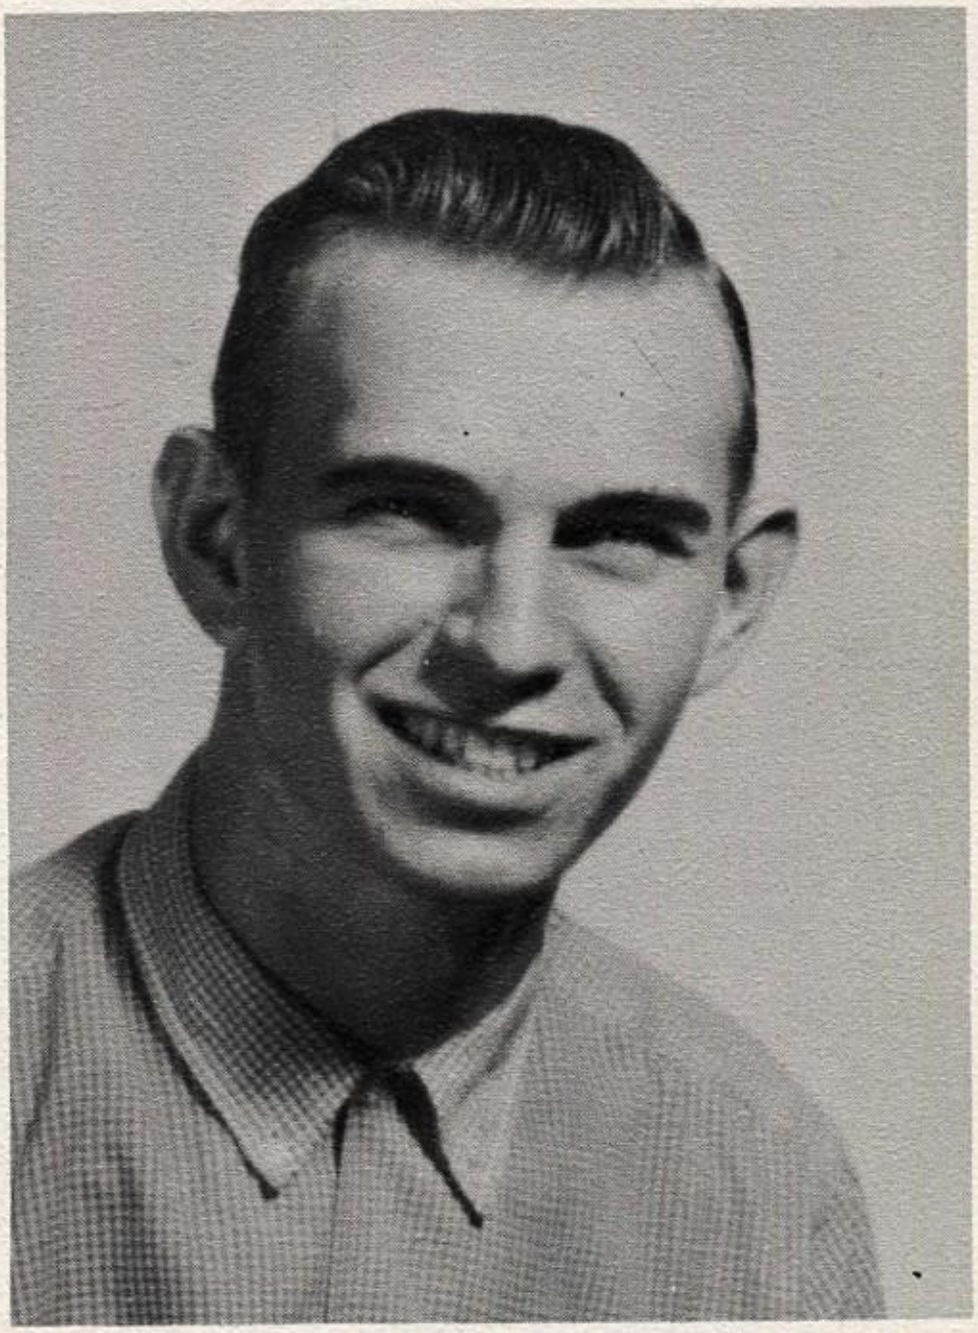
IN MEMORIAM



RICHARD AGNEW

Death is only a wooden Door,
Set in a garden wall;
And when we have passed through it,
We have no fear at all,
But only those who have gone ahead
To see what it is like
Can really know the wondrous joy
When there is no more night.
